Abstract: *Democracy is based on faith in the dignity and worth of every single individual as a human being. The Dictum De Omni Et Nullo presupposes that the Framework must be Universal and the Curriculum must be Affirmative. Humanistic Vision establishes cognizable relation between Justifiable Framework and Verifiable Curriculum. This article explores the intersection of Inalienable Natural Rights, as defined by the Universal Declaration of Human Rights [UN UDHR-1948], with the Apriori Framework such as Newton's Third Law-"Equal & Opposite" and Corresponding Curriculum such as Einstein's Binary Pulsar. It argues that the current "Compulsory School Education" under "One Global Text & Excellent Curriculum" of IBE-UNESCO fails to align with the Dictum, thus spoiling the democratic spirit and universally violating our Inalienable Natural Rights. The study urges reaffirmation of the "Apriori Framework & Curriculum" in accordance with the Guiding Principles and in correspondence to the Reality for the sake of the existential imports of the Dialectic of Truth-Right-Justice, Sanctity of Education & Significance of Scientific Certainty, Moral Solidarity & Fundamental Freedom, and Utilitarian Liberation & Common End.*

Dictum De Omni Et Nullo: Framework & Curriculum of Natural Science

Inborn rights of man are those rights which he possesses since birth. In the Universal Declaration of Human Rights (UN UDHR-1948), the foundation of human rights, the text and negotiating history of the "right to life" explicitly premises human rights on birth. Locke wrote that all individuals are equal in the sense that they are born with certain "inalienable" natural rights. That is, rights that can never be taken or even given away.

UN UDHR-1948: The Universal Declaration of Human Rights (UDHR) is a milestone document in the history of human rights. Drafted by representatives with different legal and cultural backgrounds from all regions of the world, the Declaration was proclaimed by the United Nations General Assembly in Paris on 10 December 1948 (General Assembly resolution 217 A) as a common standard of achievements for all peoples and all nations. It sets out, for the first time, fundamental human rights to be universally protected and it has been translated into over 500 languages.

A constitution is an aggregate of basic principles and laws of a nation, state, or social group that determines the powers and duties of the government and guarantees certain rights to the people in it. It ensures that those who make decisions on behalf of the public fairly represent public opinion. It also sets out the ways in which those who exercise power may be held accountable to the people they serve.

RTE [Right to Education] is an Inalienable Natural Right. RTE [Right to Education] was a part of the directive principles of the State Policy under Article 45 of the

Constitution of India, which is part of Chapter-IV of the Constitution. And rights in Chapter-IV are not enforceable. For the first time in the history of India we have made this right enforceable by putting it in Chapter-III of the Constitution as Article 21. This entitles us to have the RTE enforced as a Fundamental Right [Constitutional & Legitimate Right].

Right to Education categorically implies right to communicate "Unerring Knowledge" free from all well-established fallacies [subjective self-contradictions & objective paradoxes or logical shortcomings & illogical facts]. The concept of "Unerring Knowledge" [Vidya or Prama] has been established as follows-

- i) Universal & Necessary Knowledge
- ii) Human Rights & Universal Education
- iii) "Quality, Inclusive and Child Friendly Education" as per UNESCO's Contributions
- iv) "Necessary Humanistic Vision of Education" as per Article-29 of UN CRC
- v) "A World Fit for Children" adopted on UN General Assembly-2002 [and corresponding The Commissions for Protection of Child Rights-2005, India]
- vi) "Ensured Quality Education and Values Enshrined in the Constitution" as per Section-29 of the RTE Act-2009, India
- vii) "World of Cognitive Science" as per NEP-2020, India

The term 'apriori' means before [prior to] human experience. So, the Revealed Laws are called apriori laws. Apriori laws are **universal, necessary** and **certain** [Reference: Kant's Philosophy]. In Kant's philosophy, 'a

priori' is the mark of necessity. Such necessity can never be explained in terms of experience.

Apriori laws represent 'Constitution-in-Itself'. 'Constitution-in-Itself' connotes universal principle such as the Principle of the Uniformity of Nature [Newton's First Law-'Uniform Motion'] and necessary laws such as the Law of Causation [Newton's Second Law-' $F = ma$ '] and Third Law-'Equal & Opposite']. The Principle of the Uniformity of Nature and the Law of Causation are the two apriori premises [reliable grounds] of universal & necessary knowledge and human rights & universal education.

The Principle of the Uniformity of Nature and the Law of Causation are called formal grounds of scientific certainty [inductive generalization]. Formal truth is called justifiable truth. Scientific certainty exclusively relies on these two formal grounds. We are to justify the generalized truth such as "Framework of Compulsory School Education" in resemblance with these two formal grounds. These two formal grounds cannot be proved on the basis of inductive generalization. On the contrary, inductive generalization relies on these two formal grounds. So, these two formal grounds are called apriori grounds.

Apriori Grounds are the foundational grounds of human epistemology. These foundational grounds are called fundamental laws [postulates]. A fundamentalist is one who has firm faith in these two fundamental laws. A theist is one who never doubts these two fundamental laws [divine laws]. An educated idiot is one who is unaware of these two fundamental laws [formal grounds]. An atheist is one who disbelieves in these two fundamental laws [apriori laws]. Those human persons who have been spoiling our firm faith in these two fundamental laws establishing anti-natural & anti-human guidelines called global standard guidelines since antiquity [particularly since globalization] are called devils of humankind. Philosophers and scientists rely on these two fundamental laws [apriori laws or revealed laws]. Descartes, Kant, Newton, and Einstein have firm faith in these two fundamental laws [universal laws]. So, they are fundamentalists.

J. S. Mill, like Copernicus, David Hume and John Locke, was not a fundamentalist. He tried to prove the Principle of the Uniformity of Nature as the result of induction per simple enumeration. So, he committed self-contradiction form the subjective point of view and paradox from the objective point of view. His reasoning is vitiated by the several well-established fallacies such as vagueness, ambiguity, *petitio principii*, *post hoc ergo propter hoc*, plurality of causes, characteristic imperfection, practical imperfection, and infinite regress.

These apriori laws [fundamental laws] have been shared as "Guiding Principles" in "1.7-Aims of Education", NCF-2005, India. These apriori laws [fundamental laws] have been shared as 'Guiding Principles' or 'Uniform Guidelines' in UN UDHR-1948 [and corresponding UN CRC and Fact Sheet of UNICEF]. These apriori laws [guiding principles] represent '**Constitutional Framework or Democratic Framework or Foundational Premise**' of our Inalienable Natural Rights [References: UN UDHR-1948]. So, these

guiding principles [apriori laws] are called the Universal Major Premises of the Dictum.

The Dictum pre-supposes our firm faith in the Universal Major Premises [Guiding Principles or Uniform Guidelines]. This multidisciplinary study reaffirms our firm faith in the 'Guiding Principles or Uniform Guidelines'. Philosophy deals with the Universal Major Premises of the Dictum. So, Philosophy is called the essence of the Dictum. The essence of the Dictum is called Vyapti in Indian Philosophy. The essence of the Dictum is called Tawraat in Quran: Kitaaba bil-Haq. Rene Descartes has described the essence of the Dictum as innate idea. Innate Idea is clear and distinct. So, innate idea is called self-evident truth. Self-evident Truth is called Truth-in-Itself [Furqan]. The present multidisciplinary study relies on the self-evident truth with a democratic spirit.

Revealed Laws, Sacred Laws, Divine Laws, Eternal Laws, Rita, Natural Laws, Vyapti, Tawrat, Un-interfering Laws, Un-alterable Laws, Celestial Laws, or Transcendental Laws are called Synthetic Apriori Judgments [Reference: Kant's Philosophy]. Four basic fields, four basic forces, four gross elements, four cardinal directions, four fundamental categories of knowledge, four cannons of elimination, four criterions of truth, verifiable scientific quotes, justifiable logical rules, infallible & unerring mandates, authentic references, and three fundamental laws of thought are the contents of the Universal Major Premises of the Dictum.

'Equal & Opposite' is the Unalterable Law of Nature [Apriori Law]. There is sole equal & opposite manifested nature. This equal & opposite manifested nature was revealed prior to the revelation of finite rational beings [including global scientists and global leaders]. So, 'equal & opposite' is the apriori framework of natural science.

Globalization is not a natural phenomenon. Universally accepted & well-established globalization is absolutely contradictory to the Revealed Laws [Apriori Laws] such as Newton's Third Law-'Equal & Opposite'. The present multidisciplinary study will prove removing all doubts that "One Global Text" of IBE-UNESCO is an anti-natural-anti-human-anti-religious-anti-social-anti-cultural-illogical-immoral-unscientific-non-philosophical-non-academic-self-contradictory & paradoxical-vague & absurd-indefinite & inconsistent-fallacious & hypocritical-illicit & illegitimate-unlawful & unconstitutional Text.

The dictum pre-supposes that the minor premises must be affirmative. Un-contradicted facts of this equal & opposite manifested nature are the affirmative minor premises of the Dictum. Observation of particular instances under natural circumstances such as alteration of day & night and sporadic appearance of the white moon during broad daylight are called affirmative minor premises of the dictum. Affirmative minor premises of the Dictum are called paksa-dharma in Indian Logic. Affirmative minor premises of the Dictum are called Injil and Zabuur in Quran: Kitaaba bil-Haq. The term 'Reality' mentioned in "2.5.3-Forms of Understanding", NCF-2005, India represents the Affirmative Minor Premises of the Dictum. Affirmative minor premises are called Compulsory Curriculum.

Un-contradicted facts of this equal & opposite manifested nature such as Sirius Binary System and Natural Magnetism were also revealed prior to the revelation of the members of the human family. So, un-contradicted facts of this manifested nature are called apriori sciences. This equal & opposite manifested nature is the **original text** of universal & necessary knowledge and human rights & universal education. This equal & opposite manifested nature is the **original text** of Newton's Laws such as Newton's Third Law-"Equal & Opposite" and Einstein's Sciences such as Einstein's Binary Pulsar.

So, this equal & opposite manifested nature is one-common-comprehensive-cognizable-verifiable & justifiable-unerring-legitimate-constitutional-national-international-clear & distinct text of our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] of the Members of the Human Family [including Children] under UN UDHR-1948 [and corresponding UN CRC and Fact Sheet of UNICEF] and under Articles-14, 19, 21, and 25 of the Constitution of India [and corresponding RTE Act-2009].

Now, both the United Nations [UN] and the Member States of the United Nations do not have any sort of constitutional & legitimate rights to communicate "One Global Text & Conspiracy Curriculum" of IBE-UNESCO in schools [educational institutions] spoiling our moral solidarity & fundamental freedom and barbarously & universally violating our well-established fundamental rights [constitutional & legitimate rights]. Both the United Nations [UN] and the Member States of the United Nations do not have any sort of constitutional & legitimate rights to prohibit us from communicating "Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Manifested Nature" such as Sirius Binary System and Natural Magnetism in schools [educational institutions]. On the contrary, it is the duty for duty's sake of both the United Nations [UN] and the Member States of the United Nations to protect/promote our inborn rights [inalienable natural rights] in accordance with the Universal Major Premises of the Dictum such as Newton's Third Law-"Equal & Opposite" [Equal & Opposite Apriori Framework] and in correspondence to the Affirmative Minor Premises of the Dictum such as Sirius Binary System and Natural Magnetism [Un-contradicted Facts of this Manifested Nature] as per Two Mandates of UN UDHR-1948.

This article aims to examine the relationship between fundamental human rights and the unalterable laws of nature, arguing that the current global education framework fails to align with fundamental principles [apriori laws], thereby necessitating a redefinition of the natural science curriculum.

National Curriculum Framework [NCF]-2005, India

1.7 Aims of Education: The aims of education serve as broad guidelines to align educational processes to chosen ideals and accepted principles.----- The **guiding**

principles discussed earlier provide the landscape of social values within which we locate our educational aims. The first is a commitment to democracy and the values of equality, justice, freedom, concern for others' well-being, secularism, respect for human dignity and rights. Education should aim to build a commitment to these values, which are based on reason and understanding. The curriculum, therefore, should provide adequate experience and space for dialogue and discourse in the school to build such a commitment in children.

Independence of thought and action points to a capacity of carefully considered, value-based decision making, both independently and collectively.

The sensitivity to others' well-being and feelings, together with knowledge and understanding of the world, should form the basis of a rational commitment to values.

Learning to learn and the willingness to unlearn and relearn are important as means of responding to new situations in a flexible and creative manner. The curriculum needs to emphasise the processes of constructing knowledge. [Reference: Pages-10 and 11 of the National Curriculum Framework (NCF)-2005, India]

2.5.3-Forms of Understanding: The Sciences, like the systems of mathematics, have their own concepts, often interconnected through theories, and are attempts to describe and explain the natural world. Concepts include atom, **magnetic field**, cell, and neuron. Scientific inquiry involves observation and experimentation to validate predictions made by theory (hypotheses), which may be aided by instruments and controls. Formalisation into theory and model building can sometimes involve mathematics, but it is only with reference to observations and not to mathematical accuracy that truth is tested. The attempt is to furnish a narrative that in some way '**corresponds**' to reality. [Reference: Page-27 of the National Curriculum Framework (NCF)-2005, India]

Problem of the Study [Search for Truth]: Where is the ***Magnetic Field** [North Pole or North] in accordance with "Guiding Principles or Unalterable Laws of Nature" such as Newton's Laws and in correspondence to "Reality or Uncontradicted Facts of this Equal & Opposite Manifested Nature or Observation of Particular Instances" such as Sirius Binary System, Natural Magnetism, Einstein's Binary Pulsar, Equal & Opposite Rotation and Revolution of the Appointed Daylight, and Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day?

***Magnetic Field:** North, North Pole, E-Point, Aphelion, Northern Hemisphere, Left [Shimal] of the Prime Meridian since Manifestation, Right (Yamin) of the Observer, or Haiyalas-Swalaah

4.5 Space for the Parents and the Community: The school is a structured space for guided learning, but the process of constructing knowledge is a continuous one, which goes on even outside the school.-----This could also provide opportunities for parents to understand a little more about what their child is learning in the school and give children the initial impetus to explore and recognise the world outside the school as an arena for learning. [Reference: Page-88 of the National Curriculum Frame Work (NCF)-2005, India]

Justification of the Study

"Common sense is the knack of seeing things as they are, and doing things as they ought to be done."-Josh Billings
Formal & Authentic Reference: "The author deserves applaud for his interest about the elementary education in the country by taking a lot of pain in collecting the contradictions in the facts of nature." [National Academy of Sciences India, Letter No. NAS/716/3/017-18 dated 16/3/2018]

The significance of this study lies in its potential to influence educational policy by aligning natural science curricula with universal laws of nature, thus ensuring the protection and promotion of fundamental human rights as enshrined in international declarations.

Necessary Humanistic Vision of Education-01	
We are able to solve the following basic mathematical problems in accordance with our acquired basic mathematical knowledge in school and in correspondence to reality i. e. in correspondence to our National System of Education [NEP and NCF].	
Q.	Select the truth from the alternatives in their exclusive senses:
01	$(3 + 5) = \underline{\hspace{1cm}}$ [8 / 9].
02	$(9-3) = \underline{\hspace{1cm}}$ [6 / 7].
03	$(5 \times 5) = \underline{\hspace{1cm}}$ [20 / 25].
04	$[4 + (4 + 4)] = \underline{\hspace{1cm}}$ [14 / 12].
05	$[(9-7) + (8-4)] = \underline{\hspace{1cm}}$ [5 / 6].
06	$[(4 + 4) \times (4 + 4)] = \underline{\hspace{1cm}}$ [64 / 65].
So, there is no learning gap [lacuna, shortcoming, error, dispute, contradiction, or issue] objectively present in the Universally Accepted & Well Established Framework of Basic Mathematics and corresponding Textbook of Basic Mathematics prepared by NCERT/SCERT in Alignment with Global Sustainable Development Goals [Universal Acceptance of the Global Scientific Community or "One Global Text & Excellent Curriculum" of IBE-UNESCO]. .	

Necessary Humanistic Vision of Education-02	
However, at present we are unable to solve the following Class-II, School Level Standard Basic Scientific Problems in accordance with our acquired basic scientific knowledge [global science or global education] in school and in correspondence to Reality i. e. Un-contradicted Facts of this Equal & Opposite Manifested Nature.	
Q.	Select the truth from the alternatives in their exclusive senses:
01	Upward Arrow [↑] represents towards $\underline{\hspace{1cm}}$ [Northern Hemisphere / West Horizon].
02	Upward Arrow [↑] represents towards $\underline{\hspace{1cm}}$ [Magnetic Field / Strong Field].

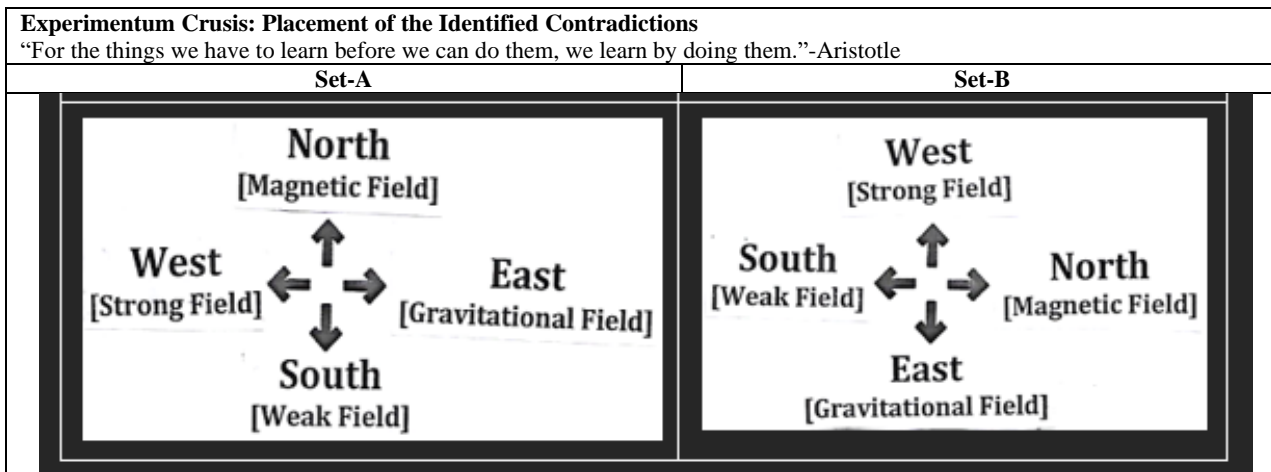

03	Upward Arrow [↑] represents towards _____ [North / West].
04	Downward Arrow [↓] represents towards _____ [Southern Hemisphere / East Horizon].
05	Downward Arrow [↓] represents towards _____ [South / East].
06	An apple falls from the tree towards _____ [South / East].

So, there are several learning gaps [lacunae, logical shortcomings, errors, contradictions, fallacies, disputes, or issues] objectively present in the Universally Accepted & Well Established Framework of Natural Science [Global Science or Global Education] and corresponding Curriculum [Reading Materials] prepared by the Concerned Competent Authorities of the Member States of the United Nations in Alignment with Global Sustainable Development Goals [UN Universal Declaration of Global Veil of Ignorance or UN Universal Declaration of Global Standards for Human Rights two years after UN UDHR-1948] and in correspondence to "One Global Text & Conspiracy Curriculum of IBE-UNESCO [Universal Acceptance of the Global Scientific Community].

Acid Test: Experimentum Crusis & Crucial Instances

Question: Where is the Magnetic Field [North] in correspondence to Reality?

Answer: _____ [Alternatives: Set-A / Set-B]

"Science is but an image of the truth."-Francis Bacon

"There is no god higher than truth."-Mahatma Gandhi

"Those who know how to think need no teachers." Mahatma Gandhi

Compulsory School Education-01: It is being taught in school that the Magnetic Field is called North. Magnetic Field and Weak Field are Equal & Opposite Fields. So, the Weak Field is called South. It is also being taught in school that an apple falls from the tree towards Gravitational Field due to Gravitational Force [Reference: Newton’s Law of Gravitation]. So, it is self-evident [crystal clear] that an apple falls from the tree neither towards Magnetic Field [North] nor towards Weak Field [South]. That means the Set-A is absolutely contradictory to the imparted basic scientific knowledge in school [compulsory school education].

Moreover, Set-A is vitiated by the well-established fallacies [errors, learning gaps, or lacunae] such as Subjective Self-contradictions & Objective Paradoxes [Logical Shortcomings & Illogical Facts]. So, we may conclude on the basis of the crucial instances and eye opening evidences that the Set-A is representing Invented Lie & Introduced Falsehood [Self-contradictory & Paradoxical Knowledge or Absolutely False Knowledge or Avidya or Aprama].

Communication of the Identified Self-contradictory & Paradoxical Compulsory School Education [Absolutely False Knowledge or Avidya or Aprama] is called Barbarous & Universal Violation of Inborn Human Rights [Inalienable Natural Rights]. It is self-evident that the Set-A is representing Universally Accepted Conjectures [Imaginary

Sciences] of the Global Scientific Community Well-known in the Academic Community [pen-paper-pencil science] since antiquity [particularly since Globalization].

Compulsory School Education-02: It is being thought in school that the Part above the Horizontal Line [Equator] is called Northern Hemisphere [Magnetic Field or North]. The Upward Arrow represents towards Northern Hemisphere [Magnetic field or North]. The Part below the Horizontal Line [Equator] is called Southern Hemisphere [Weak Field or South]. The Downward Arrow represents towards Southern Hemisphere [Weak Field or South]. Again, it is also being taught in school that an apple falls from the Tree towards Gravitational Field [East or Dead Land] due to Gravitational Force. So, the Downward Arrow represents towards Gravitational Field [East or Dead Land].

Now, it is self-evident that at present the above placed two contradictory sets i. e. both the Set-A and the Set-B are being communicated in schools [educational institutions, academic research institutions, and scientific research institutions] barbarously & universally violating our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] of the Members of the Human Family [including Children] under UN UDHR-1948 [and corresponding UN CRC and Fact Sheet of UNICEF] and under Articles-14, 19, 21, and 25 of the Constitution of India [and corresponding RTE Act-2009].

Compulsory School Education-03: It is also being taught in school that Man-made Magnet is the Scientific Proof of the Natural Magnetic Directions and Two Natural Light

Posts [Poles] such as North Pole and South Pole. Again, it is also being taught in school that the so-called Sun as the Manifested Sign of Natural Magnetism [Natural Light or Electromagnetic Wave of Einstein’s Binary Pulsar] rises once from the East Pole and sets once in the West Pole to cause the Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone. So, the noticeable question is-“How many Natural Light Posts [Poles] are there in accordance with “Guiding Principles or Unalterable Laws of Nature” and in correspondence to “Reality or Un-contradicted Facts of this Manifested Nature”? Communicated Compulsory School Education is vitiated by the Fallacy of Post Hoc Ergo Propter Hoc Statistics.

Further, it is also being thought in school that the Planet Earth beneath our feet rotates and revolves around the rising & setting Sun [Natural Light] up above our head to cause the Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone following Copernican Universal Mal-observation. Communicated Compulsory School Education is vitiated by the Fallacy of Petitio Principii [Hen & Egg Game].

Moreover, communicated compulsory global education is absolutely contradictory to the observation of particular instances under natural circumstances such as entering/rising and setting/ending Sun. Now, it is self-evident that at present Anti-natural-Anti-human-Anti-religious-Anti-social-Anti-cultural-Illogical-Immoral-Unscientific-Non-philosophical-Non-academic-Self-contradictory & Paradoxical-Vague & Absurd-Indefinite & Inconsistent-Fallacious & Hypocritical-Illicit & Illegitimate-Unlawful & Unconstitutional-Free & Compulsory Global Education is being imparted at school. Consequently, Logical Shortcomings and Illogical Facts [Learning Gaps or Lacunae or Fallacies or Errors] are objectively present in the communicated compulsory school education [Universally Accepted & Well-established Global Framework and corresponding Global Curriculum]. None can deny this factual truth.

Necessary Remedial Measures: It is necessary to reconstruct the “Framework & Curriculum of Natural Science” in accordance with “Guiding Principles or Unalterable Laws of Nature” [Eternal Laws or Divine Laws or Sacred Laws or Universal Laws or Rita or Synthetic Apriori Judgments or Formal Grounds of Scientific Certainty or Vyapti or Tawraat or Universal Major Premises of the Dictum] such as Newton’s Third Law-“Equal & Opposite” and in correspondence to “Reality or Observation of Particular Instances under Natural Circumstances” [Paksa-dharmata or Marks of Manifest Truth or Injiil and Zabuur or Crucial Instances & Clear Proofs or Eye Opening Evidences or Affirmative Minor Premises of the Dictum] such as Sirius Binary System, Natural Magnetism, Equal &

Opposite Rotation of the Morning Star and Revolution of the Evening Star of the Planet Venus, Einstein’s Binary Pulsar, Infallible & Unerring Statistics regarding Alteration of Day & Night, Newton’s Visual Binaries, Uranian System, and Sporadic Appearance of the White Moon during Broad Daylight under Natural Circumstances etc.

It is also necessary to confirm “Unerring Knowledge” [Tautologous Knowledge or Vidya or Prama or Universal & Necessary Knowledge or Necessary Humanistic Vision of Education] on the basis of Four Basic Fields-Four Basic Forces-Four Gross Elements-Four Cardinal Directions-Four Fundamental Categories of Knowledge-Four Canons of Elimination-Four Criteria of Truth following Proper Logical Method [Aristotle’s Dictum De Omni Et Nullo] and Ultimate Scientific Method [Experimentum Crusis & Crucial Instances].

Categorical Conclusion: As Set-A is vitiated by the Well-established Fallacies [Subjective Self-contradictions & Objective Paradoxes or Logical Shortcomings & Illogical Facts], so, it is self-evident [crystal clear] that the Set-B is representing Unerring Basic Scientific Knowledge [“Universal & Necessary Knowledge”, “Quality, Inclusive and Child Friendly Education” mentioned on UNESCO’s Contributions, “Necessary Humanistic Vision of Education” mentioned in the Article-29 of UN CRC, or “Ensured Quality Education and Values Enshrined in the Constitution” mentioned in the Section-29 of the RTE Act-2009 (India)] and our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] under UN UDHR-1948. .

Impossible Task: Finite Rational Beings [including Global Scientists and Global Leaders] are absolutely unable to create a “NEW CREATION” in compliance with UN Universal Declaration of Global Standards for Human Rights two years after UN UDHR-1948 [UN Universal Declaration of Global Veil of Ignorance or Alignment with Global Sustainable Development Goals] and in correspondence to “One Global Text & Conspiracy Curriculum” of IBE-UNESCO [Universally Accepted Science of the Global Scientific Community]. So, finite rational beings [including eminent experts of scientific certainty and competent academic authorities] are absolutely unable to falsify the searched out Set-B identifying lacunae in the searched out Logical Thread or Humanistic & Altruistic Vision [Equal & Opposite Apriori Framework] and proving fallacies objectively present in the searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Corresponding Curriculum] such as Four Basic Fields-Four Basic Forces-Four Gross Elements-Four Cardinal Directions of Helium-4 Atom, Sirius Binary System, Natural Magnetism, Solar System, Binary Pulsar, Prime Meridian, Two Poles, Four Points of Light, Visual Binaries, Uranian System, and Mercurial System etc.

Vera Causa [Prime Causes] of Human Sufferings

[Self-contradictory Framework & Paradoxical Curriculum]
 “Our knowing mechanism operates on things already created, which we perceive but do not make.” [Reference: Page-587 of Indian Philosophy, Vol.-II of S. Radhakirishnan, Fourth Impression-1991]

Free & Compulsory Global Education: Communicated compulsory global education in school is vitiated by the logical shortcomings & illogical facts [subjective self-contradictions & objective paradoxes]. Now, each individual endowed with common sense is able to prove on the basis of crucial instances and eye opening evidences that at present Anti-natural-Anti-human-Anti-religious [Completely Anti-Islamic]-Anti-national-Anti-international-Anti-social-Anti-cultural-Illogical-Unethical-Unscientific-Non-philosophical-Non-academic-Self-contradictory & Paradoxical-Vague & Absurd-Indefinite & Inconsistent-Fallacious & Hypocritical-Illicit & Illegitimate-Unlawful & Unconstitutional-Free & Compulsory Global Education is being communicated in school consciously spoiling our Moral Solidarity & Fundamental Freedom and barbarously & universally violating our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] under UN UNDR-1948.

Mens Rea and Actus Reus: Mens rea and actus reus are two fundamental elements of criminal law applied in most countries. Mens rea refers to a mental condition in which a person intentionally breaks the law. As a result, mens rea connotes the intention to commit the illegal act. An act must be conducted with a guilty conscience to be considered a

crime. We can say that mens rea means “guilty mind.” On the other hand, the actus reus denotes “guilty act.”

Maya and Abetment: We find the concept of ‘Maya’ in **Rg. Veda, Upanisads, and Advaita Vedanta**. Maya has two functions-**Concealment of Real** such as “Equal & Opposite Apriori Framework of Natural Science and Natural Magnetism” and **Projection of Unreal** such as “Universally Accepted & Well Established Global Framework of this Equal & Opposite Manifested Nature and Man-made Natural Magnetism” as if Real. So, **the Concept of “Maya-Sakti” resembles the Concept of “Abetment”** [Reference: Chapter-5 of Indian Penal Code, 1960].

Asuras [Devils of Humankind]: In the Rg-Veda the word ‘Maya’ occurs frequently, and is used generally to indicate the supernatural power attributed to the gods, especially to **Varua, Mitra, and Indra**. In many ancient hymns, maya is praised as a world-sustaining power [R. V. iii 38; ix 83-3; i 159-4; v.85-5]. **Maya** in the sense of deception and cunning is the special prerogative of the **Asuras [Devils of Humankind], against whom the Devas wage continual warfare**. The **Asuras** [Anti-gods or Devils of Humankind] were depicted to have become proud, vain, to have stopped performing sacrifices, to violate sacred laws [Unalterable Laws of Nature], not visit holy places, not cleanse themselves from sin [Conscious Conspiracy & Manifest Hypocrisy], to be envious of Devas, torturous of living beings, **creating confusion in everything** [Un-contradicted Facts of this Equal & Opposite Manifested Nature] and challenging the Devas.

Maya and Avidya: “The concept of **maya** is intimately related with that of **avidya**. In the Introduction to his commentary on the **Brahma Sutra** Sankara points out how **avidya is the force** that launches us into the dream of life [imaginary & fictitious world]. The tendency to confusion the transcendental and the empirical standpoints, or **adhyasa**, however **erroneous**, is natural to the human mind. It is the result of our **cognitive mechanism**. Sankara argues that we cannot attain to knowledge of reality, so long as we are subject to **avidya**. Darkness is the privation of light.

“The real is never known to have any relation with the unreal.” [Na hi sadasatoh sambandhah (S. B. on Mand. Up. ii.7.)]

Conscious & Intentional Persecution: Have you ever perceived nine moving & running global planets within this equal & opposite manifested nature under natural circumstances? Observation of Particular Instances is the **First Stage** of a scientific hypothesis. Projected nine moving & running global exoplanets are not natural sciences. On the contrary, projected nine moving & running global exoplanets are nothing but well-established conjectures well-known in both global scientific community [so-called research works] and academic community [pen-paper-pencil science]. A supposition based on **imagination is called conjecture**. Establishment of a Conjecture as a Scientific Hypothesis is called **Conscious Conspiracy**. Establishment of a Conjecture as a Scientific Theory is called **Manifest Hypocrisy**. Propagation of the Well-established Conjecture [Imaginary Science] establishing Suitable Rules-Contrary Formalities-Contradictory Guidelines-Conspiracy Parameters-Petitio Principii Mandates-Post Hoc Ergo Propter Hoc Legitimacy-Hypocritical Treaties-Anti-natural & Anti-human Policies is called **Conscious & Intentional Persecution**. We are to remember that Conscious & Intentional Persecution is worse than killing.

Authentic Proof of Conscious Conspiracy [Vera Causa of Subjective Self-contradictions]: UN UDHR-1948 comprises Thirty Categorical Articles. These categorical articles represent our Fundamental Rights [Constitutional & Legitimate Rights]. However, UN Universal Declaration of Global Standards for Human Rights two years after UN UDHR-1948 is a hypocritical declaration. **So, UN Universal Declaration of Global Standards for Human Rights two years after UN UDHR-1948 is the Authentic Proof of UNO’s Conscious Conspiracy.** “International human rights law lays down the obligations of Governments to act in certain ways or to refrain from certain acts, in order to promote and protect human rights and fundamental freedoms of individuals or groups. *Universal Declaration of Human Rights:* In 1948, two years after the assembly convened its inaugural session, it promulgated the Universal Declaration of Human Rights, which contained thirty articles outlining global standards for human rights. A historic act, it proclaimed the “inherent dignity” and “equal and inalienable rights of all members of the human family.” As the chair of the UN Commission on Human Rights, U. S. First Lady Eleanor Roosevelt helped to draft and pass the declaration, saying that it “may well become the international Magna Carta for all men everywhere.” So, **UN Universal Declaration of Global Standards for Human Rights is the**

Vera Causa [Real Cause] of Subjective Self-contradictions [Logical Shortcomings]. We are unaware of humanistic vision of education due to UN Universal Declaration of Anti-natural & Unscientific Parameters [Global Standards] for Human Rights.

Clear Proof of Manifest Hypocrisy [Prime Cause of Objective Paradoxes]: “A global framework for action in support of education for women and girls; an international consultation on Education for Development of Women and Out-of-school Girls in the Least Developed Countries; a symposium La situation juridique des femmes dans les pays de tradition islamique, a high-level consultation on Women’s Contribution to the Culture of Peace; special issues in 1995-on the status and education of women and girls-of the major UNESCO journals and publications: World Education Report, UNESCO Sources, Courier, ERA Journal. . . [In preparation at UNESCO]” [Reference: The Convention on the Rights of the Child, UNESCO’s Contributions]. Well-established “**Global Framework**” is the Clear Proof of Manifest Hypocrisy [Prime Cause of Objective Paradoxes or Illogical Facts]. Eminent Experts of Scientific Certainty and Competent Academic Authorities have been failing to provide us with the “Constitutional Remedies” to the Identified Contradictions and confirmation of “Verifiable Framework & Justifiable Curriculum of Natural Science” [Compulsory School Education] since the 26th September, 2016 due to “Universally Accepted & Well-established Global Framework” of IBE-UNESCO.

NEP-2020 [India]: Compulsory Global Education [CGE] “An atheist [non-vedic or nastik or disbeliever] is a man who looks through a telescope and tries to explain all that he can’t see.”

Suggestion: When looking for faults use a mirror, not a telescope.

[CGE-01] An **imaginary line** which runs through the centre of the **Earth** from the **North Pole** to the **South Pole** is called **Axis**. Self-contradiction & Paradox: The appearing Earth is beneath our feet. However, the Axis of the Earth is up above our head.

[CGE-02] An **imaginary line** that runs through the centre of the **Earth** is called **Equator**. Self-contradiction & Paradox: Horizontal Line [Equator] divides the Earth into Two Hemispheres [Northern Hemisphere and Southern Hemisphere]. What is the difference between Horizons and Hemispheres? What is the Difference between Horizontal Line [Equator] and Vertical Line [Prime Meridian]?

[CGE-03] The part of the **Earth above the Equator** is called the **Northern Hemisphere** and the part **below the Equator** is called **Southern Hemisphere**. Self-contradiction & Paradox: It is being taught in schools [educational institutions] that Stars appear at night in the Magnetic Field [Northern Hemisphere]. Rain comes from North [Magnetic Field]. An apple falls from the Tree towards Weak Field [Southern Hemisphere]. So, an apple falls from the Tree towards South [Weak Field] following Universal Imagination of the Global Scientific Community. Again, it is also being taught that an apple falls from the Tree towards

East [Gravitational Field] due to Gravitational Force. Consequently, Eminent Experts of Scientific Certainty and Competent Academic Authorities have been failing to solve Class-II Standard Primary Level Basic Scientific Problems since the 26th September, 2016.

[CGE-04] An **imaginary line** encircling the **Earth** and joining all places which have the same latitude is called a parallel of latitude. Self-contradiction & Paradox: Globalization is not a Natural Phenomenon. On the contrary, Globalization is an Imaginary Phenomenon of the Devils of Humankind [Asuras or Shaytans]. At present Universally Accepted & Well-established Imaginary Science of the Devils of Humankind [Asuras or Shaytans] is being taught in schools [educational institutions] barbarously & universally violating our Inalienable Natural Rights. Consequently, we know nothing about Created & Manifested Science [Revealed Science or Apriori Science] after having known much about Universally Accepted & Well-established Imaginary Science of the Devils of Humankind [Asuras or Shaytans].

[CGE-05] A **globe** is a spherical model of the **Earth**. Self-contradiction & Paradox: UN Universal Declaration of Global Standards for Human Rights and One Global Text & Excellent Curriculum of IBE-UNESCO have converted Immovable Hexagonal World [Six Regions or Star of David or Planet Pluto] appearing as Five Major Inhabitants [Appearing Pentagonal Planet Earth like 9/11 Pentagon or Star Operator] with Three Ascending Stairs [Kepler's Minor Axis-Semi-major Axis-Major Axis] into a Global Sphere [Global Framework & Global Standard] [Reference: UNESCO's Contributions]. Consequently, Eminent Experts of Scientific Certainty and Competent Academic Authorities have been failing to understand "Purely Academic & Incontestable Constitutional Activities" of a Self-financed Patriot since the 26th September, 2016.

[CGE-06] Longitude is an **imaginary line** used to find a place **East or West** of the **Prime Meridian**. Self-contradiction & Paradox: It is being taught in schools [educational institutions] that East and West are nothing but Imaginary Concepts of the Devils of Humankind [Asuras or Shaytans]. Consequently, we are unaware of Two East [East Horizon of the Upright Rectangular Universe and East Zone of the Immovable Hexagonal World within the East Horizon] and Two West [West Horizon of the Upright Rectangular Universe and West Zone of the Immovable Hexagonal World within the East Horizon].

[CGE-07] Just as the **Equator** is the **imaginary line** for locating places in the **North** and the **South**, the **Prime Meridian**, also known as **Greenwich Meridian**, is the **imaginary line** for locating places in the **East** or the **West**. Self-contradiction & Paradox: It is crystal clear that Greenwich is the Prime Meridian of the Devils of Humankind [Asuras or Shaytans] since 1851. Where is the Prime Meridian [Tallest Tree of Newton] since Manifestation? Are you [Eminent Experts of Scientific Certainty and Competent Academic Authorities] able to prove Four Basic Fields-Four Basic Forces-Four Gross Elements-Four Cardinal Directions of Helium-4 Atom in accordance with Communicated Free & Compulsory Global

Education [Universally Accepted & Well-established Imaginary Science of the Devils of Humankind] and in correspondence to Reality [Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System and Natural Magnetism]?

[CGE-08] The 180° meridian and the Prime Meridian together form a **circle**, which cuts the **Earth** into two equal parts called the **Eastern and Western Hemispheres**. Self-contradiction & Paradox: It is being thought in schools [educational institutions] that there are Four Hemispheres [Northern Hemisphere, Southern Hemisphere, Eastern Hemisphere, and Western Hemisphere]. There is a Horizontal Line called Equator. However, there is no Horizon [Substratum] in the Universally Accepted & Well-established Global Science [Free & Compulsory Global Education]. Sirius A [East Horizon or Gravitational Field or Arz], White Dwarf Companion Sirius B [West Horizon or Strong Field or Samawaat], Southern Hemisphere [Weak Field or Border], Northern Hemisphere [Magnetic Field or Back Border], Immovable Hexagonal World [Planet Pluto or Star of David], Five Major Inhabitants [Appearing Pentagonal Planet Earth like 9/11 Pentagon or Spider's House] with Three Ascending Stairs [Superscripts], Mountains, Rivers, and Seashores are Rotating from the North Pole to the South Pole and Revolving from the South Pole to the North Pole to cause the Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone following Copernican Universal Mal-observation [Well-established Copernican Hypothesis], Universally Accepted Global Framework of IBE-UNESCO, and UN Universal Declaration of Global Standards for Human Rights two years after UN UDHR-1948. Consequently, we know nothing about our Horizon [East Horizon or Sirius A or Arz] after having known much about Four Hemispheres of the Devils of Humankind [Asuras or Shaytans].

[CGE-09] **India** lies in the **Eastern Hemisphere** whereas the **United States of America** lies in the **Western Hemisphere**. Self-contradiction & Paradox: A Hemisphere cannot be the Substratum of either India or the United States of America. Probably, Eminent Experts of Scientific Certainty and Competent Academic Authorities do not know the difference between a Container [Substratum] and the Contained.

[CGE-10] **Post Hoc Ergo Propter Hoc Statistics**: It is being taught in schools [educational institutions] that the Electromagnetic Wave [Natural Light or so-called Sun or Planet Venus or Tarash-Shamsa or She-camel of Allah or Cannon Ball of Newton or BULLET of UNO] rises once from the East Pole and sets once in the West Pole to cause the Alteration of Day & Night for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone following Universal Acceptance of the Global Scientific Community and UN Universal Declaration of Global Standards for Human Rights. Communicated Self-contradictory & Paradoxical Common Run of the so-called Sun [Planet Venus or Electromagnetic Wave of Einstein's Binary Pulsar or Cannon Ball of Newton or BULLET of UNO or Tarash-Shamsa] is called Post Hoc Ergo Propter Hoc Statistics. None is able to prove Identified Fallacious

Science [Self-contradictory & Paradoxical Science] as Revealed Science [Apriori Science or Natural Science].

[CGE-11] Invented Lie and Introduced Falsehood: Mandate Magnet [Krittum Chumvak or Man-made Natural Magnetism of the Devils of Humankind] is absolutely contradictory to the Natural Magnet [Prakkritik Chumvak or Revealed Magnetism]. We [People of this Equal & Opposite Manifested Nature] have been failing to recognize Four Basic Fields-Four Basic Forces-Four Gross Elements-Four Cardinal Directions of the Upright Rectangular Universe [Helium-4 Atom] in correspondence to Reality due to nothing but Exhibited Man-made Magnet [Krittum Chumvak or Man-made Natural Magnetism of the Devils of Humankind]. We [including higher educated members of the human family] do not know that the so-called Sun [Natural Light or Planet Venus or She-camel of Allah or Tarash-Shamsa] is the Manifested Sign of Natural Magnetism & Apriori Proof [Scientific Proof] of Natural Magnetic Directions [North Pole and South Pole, E-Point and T-Point, Magnetic Field and Weak Field, Aphelion and Perihelion, Left and Right of the Prime Meridian (Shimal and Yamin), Northern Hemisphere and Southern Hemisphere, Haiyalas-Swalaah and Haiyalal-Falaah, or Back Border and Border of the Universe]. Now, we are to compel the Devils of Humankind [Anti-natural Scientists and Anti-human Activists or Global Scientists and Global Leaders] to prove that Man-made Magnet [including Qibla Finder or Qibla Indicator] represents Natural Magnetic Directions [North Pole and South Pole, E-Point and T-Point, Magnetic Field and Weak Field, Aphelion and Perihelion, Left and Right of the Prime Meridian (Shimal and Yamin), Northern Hemisphere and Southern Hemisphere, Haiyalas-Swalaah and Haiyalal-Falaah, or Back Border and Border of the Universe] in accordance with “Guiding Principles or Unalterable Laws of Nature” such as Newton’s Laws and in correspondence to “Reality or Observation of Particular Instances under Natural Circumstances” such as Einstein’s Binary Pulsar, Equal & Opposite Rotation [Morning Show or Safa] and Revolution [Evening Show or Marwa] of the Planet Venus [so-called Sun or She-camel of Allah or Tash-Shamsa], and Alteration of Day & Night in a Day.

[CGE-12] Petitio Principii [Hen & Egg Science]: A Lunar Month is the time the Moon takes to travel once round the Earth. A Solar Year is the time the Earth takes to travel once round the Sun. It is being taught in educational institutions that the Earth moves round the Sun. The Moon moves round the Earth. Imparted Compulsory School Education [Universally Accepted & Well-established Global Education] is vitiated by the all well-established fallacies [particularly Petitio Principii, Four Terms, Ambiguity, Absurdity, Vagueness, Non-observation, Mal-observation, Characteristic Imperfection, Practical Imperfection, Plurality of Causes, Post Hoc ergo Propter Hoc, Self-contradictions & Paradoxes, and Logical Shortcomings & Illogical Facts].

Search for the Pragmatic Truth: We perceive Sporadic Appearance of the White Moon [Planet Uranus] during Broad Daylight in our Zone under Natural Circumstances. We also perceive Eclipse in our Zone under Natural Circumstances. So, we perceive both the so-called Sun [Planet Venus] and the White Moon [Planet Uranus of our

Zone] together during broad daylight under natural circumstances. I have been trying to perceive Rotating & Revolving Global Earth in between the rising & setting Sun [Planet Venus] and the Periodic Motion of the White Moon [Planet Uranus of our Zone] under natural circumstances. However, I have not yet perceived Moving & Running Global Planet Earth in between the rising & setting Sun [Planet Venus] and the Periodic Motion of the White Moon [Planet Uranus of our Zone] under natural circumstances. Have you ever perceived Rotating & Revolving Global Planet Earth in between the rising & setting Sun [Planet Venus] and the Periodic Motion of the White Moon [Planet Uranus of your Zone] under natural circumstances? **[Definite Answer: NO]**

Equal & Opposite Face of NCERT-India

One Face of NCERT-India: “**Science is neutral to all religions and is not specific to any religion or a community.**” [NCERT, No. F.1-1/DESM-PA/Misc. /2017-18/2554 dated 16th April, 2018, F. No.3-3/2018/DESM/RTI/Sh. Jamir Ahmed Choudhury /2793 [Ref. DARPG/P/2017/03052 dated 23.06.2017 & 07.06.18]; Department of Elementary Education, NCERT No. F.1-24/Admn. /RTI/DEE/2018/27 dated 20th April, 2018; NCERT F. No.3-1/2004/DEdL/899 dated 23rd April, 2018 and NCERT F. No.3-1/2004 /DEdL/897 dated 20th April, 2018]

There is no doubt that Science [Natural Mechanism such as Natural Magnetism] is neutral to all religions and is not specific to any religion such as Islamic Faith & Virtue or a Community such as Universal Acceptance of the Global Scientific Community.

Opposite Face of NCERT-India: “**The scientific facts, principles, theories, and laws currently being taught at school level are universally accepted by the global scientific community.**” [NCERT, No. F.1-1/DESM-PA/Misc. /2017-18/2554 dated 16th April, 2018, F. No.3-3/2018/DESM/RTI/Sh. Jamir Ahmed Choudhury /2793 [Ref. DARPG/P/2017/03052 dated 23.06.2017 & 07.06.18]; Department of Elementary Education, NCERT No. F.1-24/Admn. /RTI/DEE/2018/27 dated 20th April, 2018; NCERT F. No.3-1/2004/DEdL/899 dated 23rd April, 2018 and NCERT F. No.3-1/2004 /DEdL/897 dated 20th April, 2018]

Self-evident Truth: It is self-evident [crystal clear] that at present Neutral Science [Natural Science such as Natural Magnetism] is not being taught in school [educational institution] in accordance with “Guiding Principles or Unalterable Laws of Nature” [“1.7-Aims of Education”, NCF-2005] such as Newton’s Laws and in correspondence to “Reality or Observation of Particular Instances under Natural Circumstances” [“2.5.3-Forms of Understanding”, NCF-2005] such as Einstein’s Binary Pulsar and Natural Magnetism.

On the contrary, at present “Universally Accepted Science” of an Anti-natural Community [Global Scientific Community] which is vitiated by all well-established fallacies [learning gaps or self-contradictions & paradoxes or logical shortcomings & illogical facts] is being taught in

school [educational institution] barbarously & universally violating our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] under UN UDHR-1948.

Consequently, we know nothing about “Magnetic Field” [North or North Pole or E-Point] in correspondence to Reality after having known much about Four Hemispheres, Nine Moving & Running Global Planets, One Dimensional Space Station, Chandrayaan, Solar Universe, Man-made Natural Magnetism, Copernican Revolution, Universally Accepted Science of the Global Scientific Community, One Global Text & Excellent Curriculum of IBE-UNESCO, UN Universal Declaration of Global Standards for Human Rights, and Global Sustainable Development Goals.

So, we are self-evident victims of nothing but Universally Accepted Truth & Well Established Falsehood of the Global Scientific Community. In other words, we are self-evident victims of nothing but Communicated Self-contradictory & Paradoxical Global Science [One Global Text & Conspiracy Curriculum of IBE-UNESCO] in school in alignment with global sustainable development goals [Reference: NEP-2020, India] [UN Universal Declaration of Global Veil of Ignorance or UN Universal Declaration of the Depth of Darkness].

Communication of Self-contradictory & Paradoxical Global Knowledge [Absolutely False Knowledge] as Compulsory School Education is nothing but Barbarous & Universal Violation of our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] of the Members of the Human Family [including Children] under UN UDHR-1948 [and corresponding UN CRC and Fact Sheet of UNICEF] and under Articles-14, 19, 21, and 25 of the Constitution of India [and corresponding RTE Act-2009]. We [People of this Equal & Opposite Manifested Nature] are unaware of the Four Basic Fields-Four Basic Forces-Four Gross Elements-Four Cardinal Directions of Helium-4 Atom in accordance with Unalterable Laws of Nature and in correspondence to Reality due to communicated Self-contradictory & Paradoxical Global Knowledge [Free & Compulsory and Anti-natural & Anti-human School Education]. Communication of the Universally Accepted & Well-established Global Education is nothing but “**Crimes against Humanity**”.

UNO and Special Agencies of UNO have been consciously & intentionally persecuting our Firm Faith and Practical Belief spoiling Revealed Science [Created & Manifested Science] such as Sirius Binary System and Natural Magnetism, Spoiling Sanctity of Education & Significance of Scientific Certainty, Spoiling our Inherent Dignity & Moral Solidarity, Spoiling our Freedom of Conscience and Liberty of Faith-Belief-Thought-Expression-Worship, and Spoiling Holistic Development of our Axiological aspects and One Dimensional Time. We are to remember that conscious & intentional persecution is worse than killing.

Consequences of Conscious & Intentional Persecution

“Men are born ignorant, not stupid; they are made stupid by education.”-Bertrand Russell

[CCIP-01] At present there is no such educational institution on the land where “Unerring Knowledge” regarding “Framework & Curriculum of Natural Science” [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Manifested Nature] is being communicated in accordance with Uniform Guidelines [Unalterable Laws of Nature] and in correspondence to Reality [Un-contradicted Facts of this Manifested Nature].

[CCIP-02] At present there is no such NAAC Accredited Institution in India where “Unerring Knowledge” regarding “Framework & Curriculum of Natural Science” [World of Cognitive Science, NEP-2020] is being communicated in accordance with “1.7-Aims of Education”, NCF-2005 and in correspondence to “2.5.3-Forms of Understanding”, NCF-2005.

[CCIP-03] At present there is no such Celebrated School in Assam [India] where “Unerring Knowledge” regarding “Framework & Curriculum of Natural Science” [World of Cognitive Science, NEP-2020] is being communicated in correspondence to our National [Indian] System of Education.

Necessary Remedial Measures [One Day Project Work]

“The man who really wants to do something finds a way; the other finds an excuse.”

There are 215 Objective Questions regarding “Framework & Curriculum of Natural Science” and corresponding Inalienable Natural Rights in the Part-I-Project Work [Pages-5 to 157] of “One Day Project Work” [World of Cognitive Science], ISBN: 979-8-89277-211-2. Each individual endowed with common sense is able to recognize “Unerring Basic Scientific Knowledge” regarding “Framework & Curriculum of Natural Science” in accordance with “Guiding Principles or Unalterable Laws of Nature” and in correspondence to Reality [Un-contradicted Facts of this Equal & Opposite Manifested Nature] within 24 hours [one day] going thoroughly through the Part-I-Project Work [Pages-5 to 157] of “One Day Project Work” [World of Cognitive Science], ISBN: 979-8-89277-211-2.

Moreover, there are 90 Basic Scientific Issues [Equal & Opposite Scientific Findings] in the Part-II-Identified Contradictions [Pages-159 to 198] of “One Day Project Work” [World of Cognitive Science], ISBN: 979-8-89277-211-2. Identified Contradictions [90 Basic Scientific Issues] have been arranged in two sets. Set-A-Global Science [Global Education or Well-established Science or Projected Sheet of UNO] is representing Invented Lies & Introduced Falsehoods of the Devils of Humankind [One Global Text & Conspiracy Curriculum of IBE -UNESCO and Universally Accepted Science of the Global Scientific Community]. Consequently, Set-A-Global Science is vitiated by all well-established fallacies [errors, learning gaps, lacunae, or contradictions]. So, the Set-A-Global Science is representing Barbarous & Universal Violation of our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] of the Members of the Human Family [including Children] under UN UDHR-1948 [and corresponding UN CRC and Fact Sheet of

UNICEF] and under Articles-14, 19, 21, and 25 of the Constitution of India [and corresponding RTE Act-2009].

The Set-B-Apriori Science [Natural Science or Cognitive Science or Separate Sheet of UNO] is representing “Unerring Knowledge or Vidya or Prama or Tautologous Knowledge or Wisdom” [“Universal & Necessary Knowledge”, “Quality, Inclusive and Child Friendly Education” mentioned on UNESCO’s Contributions, “Necessary Humanistic Vision of Education” mentioned in the Article-29 of UN CRC, or “Ensured Quality Education and Values Enshrined in the Constitution” mentioned in the Section-29 of the RTE Act-2009 (India)] regarding “Framework & Curriculum of Natural Science” [“A World Fit for Children” adopted on UN General Assembly-2002 or “World of Cognitive Science” mentioned in Page-25 of our NEP-2020] searched out in accordance with “Guiding Principles or Unalterable Laws of Nature” [“1.7-Aims of Education”, NCF-2005, India] such as Newton’s Laws and in correspondence to “Reality or Un-contradicted Facts of this Manifested Nature” [“2.5.3-Forms of Understanding”, NCF-2005, India] such as Einstein’s Binary Pulsar, Sirius Binary System, Natural Magnetism, Solar System, Uranian System, and Mercurial System etc. by an Academic Authority to the Govt. [an ordinary son of the Soil of Hindustan] bearing Academic Ph. D. Registration No.2491/14 under Assam University [AUS], India.

So, the searched out Set-B-Apriori Science [Natural Science or Cognitive Science] is representing our following Inborn Rights [Inalienable Natural Rights (INR)] established as Fundamental Rights [Constitutional & Legitimate Rights] of the Members of the Human Family [including Children] under UN UDHR-1948 [and corresponding UN CRC and Fact Sheet of UNICEF] and under Articles-14, 19, 21, and 25 of the Constitution of India [and corresponding RTE Act-2009]-

Allah is Absolute Owner of Praise. And (remember) Luqmaan said to his son by way of instruction: O my son! Ascribe no partners to Allah [with respect to creation / with respect to East and West]. Lo! To ascribe partners [to Him with respect to creation / with respect to East and West] is indeed the highest wrong-doing [Innash-shirka la-zulmun aziim]. [Sura (30)-Luqmaan-Hikmata-Verses-12 and 13]

“Rabbul-Mashri-qayni wa Rabbul-Magribayn-Rab of the two East and Rab of the two West. “Fabi-ayyi aalaaa-i Rabbikumaa tukazzibaan? Which is it of the favour of your Rab that you deny?” [Sura (54)-Ar-Rahman-Verses-17 and 18] “----- Then Praise be to Allah, Rab of the West Horizon [Samawaat] and Rab of the East Horizon [Arz], Rab of the Universe [Aalamiin]! And to Him (alone) belongs the Majesty of the Sirius Binary System [Samaawati wal-Arz].

[Sura (44)-Ummatin-Jaasiyah-Verses-36 and 37] “Qul mar-Rabbus-samaawaati wal-arz?-Say: Who is the Rab of the Sirius Binary System [Binary Star System or White Dwarf Companion Sirius B and Sirius A or West Horizon and East Horizon]?-----“ [Sura (12)-Yu-Sabbihur-Ra’d-Verses-16 and 17] “-----It is Allah Who has created Sirius Binary System [Samawaat and Arz or West Horizon and East Horizon]-----[Sura (13)-Ibrahim-Verses-31 to 34] “----- To Him is due the primal origin of Sirius Binary System [Samawaati wal-Arz or West Horizon and East Horizon].-----” [Sura (5)-Haazi-hil-an-Aam-Ayat-102 to 107]----- “Wa lillaahil-Mashriq wal-Magrib-And East and West belong to none but Allah.” [Sura (1)-Antazbahuu Baqarah-Verses-113 to 115]----- Say: To Allah belong the East and the West. [Sura (1)-An-tazbahuu Baqarah-Verses-142 to 144] “----- He said: Rab of the East and the West and all between!” [Sura (25)-Wash-shu-‘araaa-‘u-Verses-28 to 33] “-----Rabbul-Mashriqi wal-Magribi Laaa ilaaha illa Huwa fattakiz-hu Wakiilaa-Rab of the East and the West, there is no unbreakable reality save Him.” [Sura (72)-Yaaa-ayyuhal Muzzammil-Verses-9 to 13]

It is He Who created you from a single soul, and made his mate of like nature [equal & opposite revelation], in order that he might dwell with her. When they are united, she bears a light burden and carries it about [unnoticed]. When she grows heavy, they both pray to Allah their Rab, [saying]: If You give us a goodly child, we vow we shall [ever] be grateful. But when He gives them a goodly child, they ascribe to others a share in the gift they have received. But Allah is exalted high above the partners they ascribe to Him [with respect to creation / with respect to East and West]. [Sura (6)-Alal-A-Raaf-Verses-189 and 190]

And they [possessors of bookish knowledge] do not esteem Allah as He has the right to be esteemed, when the whole world [East Horizon or Gravitational Field or Arz] is His handful on the Day of Resurrection [Yawmal-Qiyaamati], and the West Horizon [Strong Field or Samawaat or Galaxy of Stars or Canopies] are rolled in His Right Hand. He be glorified and High is He above the partners they attribute to Him [with respect to East and West]! And the Trumpet will be sounded, when all that are in the West Horizon [Strong Field or White Dwarf companion Sirius B or Samawaat] and in East Horizon [Gravitational Field or Sirius A or Arz] will faint, except such as it will please Allah, then a second one will be sounded, when, behold, they will be standing and waiting! [Sura (38)-Zumaraa-Verses-67 and 68]

“When you recite the Quran seek refuge in Allah from Shaytan the outcast. He [UNO] has no authority over those who believe [in Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Manifested Nature such as Sirius Binary System and Natural Magnetism] and put their trust in their Rab. His [UNO’s] authority is over those only, who take him [UNO] as a patron [sincere adviser] and who join [United Nations as] partner with Allah [with respect to creation]. [Sura (15)-Ilan-Nahl-Verses-98 to 100] “ [Their way is] as the way of Firawn’s folk----- .” [Sura (7)-Anil-Anfaal-Verses-52 to 56] “-----Say: Call your 'god-partners' [United Nations], scheme [your worst] against me, and give me no relief. [Sura (6)-Alal-A-Raaf-Verses-191 to 195]

O mankind! Remember the grace of Allah to you! Is there a creator [of Natural Science], other than Allah, to give you sustenance from West Horizon [Samawaat] or East Horizon [Arz]? There is no unbreakable reality save Him. How have you then deluded away from the Truth? And if they [people of the entire world] disbelieve you, so were messengers denied before you, then to Allah all things are brought back. [Sura (34)-Faatiris-Samaawaati wal-Arz-Verses-3 and 4]

Say [to mankind]: What thing is most weighty in evidence? Say: Allah is witness between me and you. This Quran [Equal & Opposite Revelation] has been made known to me by inspiration that I may warn you and all whom it reaches. Can you possibly bear witness that besides Allah [as the Unique Creator of this Equal & Opposite Manifested Nature] there is another Allah [as the Creator of Universally Accepted & Well Established Global Nature (Global Science)]? Say: By no means! I cannot bear such witness! Say: But in truth He is Waahid, and I am truly innocent of that which you join with Him. [Sura (5)-Haazi-hil-an-Aam-Verse-19]

All that is in the West Horizon [Strong Field or Samawaat or White Square or White Dwarf Companion Sirius B] and in the East Horizon [Gravitational Field or Arz or Black Square or Sirius A] glorifies Allah. To Him belong Sovereignty, and to Him belong praise, and He has power over all things. It is He Who has created you. “Huwallazii khalaaqum fa-minkum Kaafirumw-wa munkum Mu-min”- But one of you is a disbeliever [of Unalterable Laws of Nature such as “Equal & Opposite” and Un-interfering Natural Mechanism such as Natural Magnetism], and one of you is a believer [of Clear & Distinct Manifest Truth]. [Sura (63)-Yawmut-tagaabun-Verses-1 to 2]

Those who deny Allah [Epistemic Uniqueness of Philosophy & External Force of Science] and His messengers and seek to make distinction between Allah and His messengers, and say: We believe in some but disbelieve in others, and seek to choose a way in between [Natural Mechanism such as Natural Magnetism and Man-made Natural Mechanism such as Man-made Natural Magnetism], they are in truth disbelievers [of Manifest Truth] (Ulaaa-ika humul-kaafiruna haqqa); and We have prepared for disbelievers [of Manifest Truth] a shameful punishment (wa a-tadnaa lil-kaafirina azaabam-muhiinaa). To those who believe in Allah and His messengers and make no distinction between any of them, Allah will soon give their [due] rewards, for Allah is Forgiving-Merciful. [Sura (3)-Aatun-Nisaaa-a-Verses-150 to 152]

They [Scholars and Leaders] ask you concerning spoils of war [Anil-Anfaal]. Say: The spoils of war belong to Allah and the messenger. So keep your duty to Allah, and adjust the matter of your difference, and obey Allah and His messenger, if you are believers [of Manifest Truth] [Atii-ullaaha wa Rasuu-lahuu in-kuntum-Mu-miniin]. For, believers [of Manifest Truth] are those who, when Allah is mentioned, feel a tremor [vibration] in their hearts, and when they hear His revelations are rehearsed, find their faith strengthened, and put [all] their trust in their Rab; who establish prayer [recognizing Even Way in resemblance with Kitaaba bil-Haq and in correspondence to Equal &

Opposite Revelation] and spend of that We have bestowed on them. Such in truth are the believers [of *Manifest Truth*] [Ulaaa-ika humul-Mu-minuuna haqqaa]. They have grades of dignity with their Rab, and forgiveness and generous sustenance. Just as your Rab ordered you to go forth from your house with truth even though a party among the believers [of *Kitaaba bil-Haq*] dislike it disputing with you concerning the Truth after it has been made manifest, as if they were being driven to death and they [actually] saw it. And when Allah promised you one of the two bands that it should be yours, you wished that the one unarmed should be yours. And Allah willed that He should cause the Truth to triumph by His words [Kalimaatihii], and to cut off the roots of the disbelievers [of *Unalterable Laws of Nature and Un-interfering Natural Mechanism*] that He might justify Truth and prove Falsehood false, however much the guilty [*Anti-natural Scientists and Anti-human Activists*] might oppose. [Sura (7)-Anil-Anfaal-Verses-1 to 8]

“And the East Horizon [*Black Square or Arz*] will shine with the glory of her Rab. The Record of Deeds [wuzi-al-Kitaab] will be placed [open]. The prophets [binnabiu-yiina] and the witnesses [wash-shuhadaaa-‘i] will be brought forward and it is judged between them with truth; and they [*UNO and its Special Agencies*] will not be wronged [in the least]. And to every soul will be paid in full [the fruit] of its deeds; and He is best aware of what they do. [Sura (38)-Zumaraa-Verses-69 and 70]

“And those who keep their duty to their Rab will be led to the Paradise [Jannat] in troops; until behold, they arrive there; its gates will be opened; and its keepers will say: Peace be upon you! You have done well! Enter you here, to dwell therein. They will say: Praise be to Allah, Who has truly fulfilled His Promise to us, and has given us [this] land in heritage. We can dwell in the Paradise [Jannat] as we will. How excellent a reward for the workers! [Sura (38)-Zumaraa-Verses-73 and 74]

And you will see the angels surrounding the Arsh on all sides, singing Glory and Praise to their Rab. The Decision between them [at Judgment] will be in Justice, and the cry [on all sides] will be, Praise be to Allah, Rab of Aalamiin [Universe]! [Sura (38)-Zumaraa-Verse-75]

O you who believe [*in Equal & Opposite Apriori Framework and Un-contradicted Facts of this Manifested Nature such as*

Sirius Binary System and Natural Magnetism]! Stand out firmly for justice, as witnesses to Allah, even as against yourselves [*your acquired & possessed global education*], or your parents, or your kin, and whether it (the case be of) a rich man or a poor man, for Allah is nearer to both (than you are). So follow not the lusts [of your hearts], lest you swerve, and if you distort [*Kitaaba bil-Haq*] or decline to do justice, verily Allah is well-informed of all that you do. [Sura (3)-Aatun-Nisaaa-a-Verse-135]

“Laa yukalli-ful laahu nafsan illa wus-ahaa. Lahaa maa kasabat w-alay-haa mak-tasabat. Rabbanaa laa tu-akhiznaa in-nasiinaa aw akhta-naa. Rabbanaa wa laa tahmil alay-naaa is-ran-kamaa hamal tahuu alal-laziina min-qab-linaa. Rabbanaa wa laa tuhammil-naa maa laa taaqata lanaa

bih. Wa fu-annaa, wag-fir lanaa, war-ham-naa. Anta Mawlaanaa fan-surnaa alal-qaw-mil-Kaafi-riin”-On no soul Allah places a burden greater than it can bear. It gets every good that it earns, and it suffers every ill that it earns. [Pray:] Our Rab! Condemn us not if we forget or miss the mark! Our Rab! Lay not on us a burden like that which You did lay on those before us. Our Rab! Lay not on us a burden greater than we have strength to bear. Blot out our sins, and grant us forgiveness. Have mercy on us. You are our Protector. Grant us victory over the disbelieving folk [*disbelievers of Unalterable Laws of Nature and Un-interfering Natural Mechanism or disbelievers of Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Manifested Nature*]. [Sura (1)-An-tazbahuu Baqarah-Verse-286]

[VJC-01] Universe [Aalamiin or Diamond Operator or Sirius]: “----Wa annahu Huwa Rabbush-Shi-raa” [49]-That He is the Rab of Sirius [Mighty Star] [Sura (52)-Wan-Najm-Verses-33 to 49]. A Star is like a Diamond. Projected Pentagonal Star [Star Operator or Star of the Star TV] is called the Earth. Sirius is an intrinsically luminous Star. This intrinsically luminous Star is called Diamond Operator [Reference: Unicode (hex) 22C4]. So, the Universe [Aalamiin] is a Diamond Operator [Mighty Star or Intrinsically Luminous Star].

[VJC-02] Revealed Trinity [Binary Star System]: Equal & Opposite is the Unalterable Law of Nature. Universe [Diamond Operator or Mighty Star or Sirius] was revealed as a **Trinity** [Binary Star System] prior to the revelations of beings [including global scientists and global leaders] and things [including nine planets] [Reference: **Three minutes after BIG BANG**]. So, “Equal & Opposite” [Binary Star System] is the Revealed Framework [Apriori Framework] of Natural Science [References: Unicode (hex) 1F5DC and Unicode (hex) 27E0]. “So believe in Allah and His messengers, and say not ‘**Three-Cease or Desist Trinity**’! (It is) better for you!” [Sura (3)-Aatun-Nisaaa-a-Verses-171 to 174]. Universally Accepted & Well-established Global Framework [Globalization] of the United Nations [UN] is not a Natural Phenomenon. On the contrary, Globalization [Global Framework] is an Anti-natural-Anti-human-Anti-religious-Anti-social-Anti-cultural-Illogical-Immoral-Unscientific-Non-philosophical-Non-academic-Illicit-Illegitimate-Unlawful-Unconstitutional Phenomenon. “----- But the **monasticism** (global framework or globalization) which they [*disbelievers of natural science*] invented for themselves, We did not prescribe (ordain) for them-----.” [Sura (56)-Anzalnal-Hadiid-Verses-26 and 27]

[VJC-03] Sirius Binary System [Samawaati wal-Arz]: “----- It is He who created Sirius Binary System [*Samawaati wal-Arz or Binary Star System*] in truth in that day when He said: “Be! It is” [Kun-Fa-yakuun] [Sura (5)-Haazi-hil-an-Aam-Verses-71 to 73]. “Qul mar-Rabbus-samaawaati wal-arz?-Say: Who is the Rab of the Sirius Binary System?” [Sura (12)-Yu-Sabbihur-Ra’d-Verses-16 and 17] “----- Or did they [*global scientists and global leaders*] create Sirius Binary System [Samawaati wal-Arz]?” [Sura (51)-Wat-Tuur-Verses-30 to 49] “----- Be quick in the race for forgiveness from your Rab, and for a Heaven [**Jannat**] whose width is that [of the whole] of the West Horizon [**Samawaat**] and of the East Horizon [**Arz**], prepared for Muttaqiin.” [Sura (2)-Alal-Imraan-Verses-130 to 136] “----- Then Praise be to Allah, Rab of the West Horizon [**Samawaat**] and Rab of the East Horizon [**Arz**], Rab of the Universe [**Aalamiin**]! And to Him belongs the Majesty of the Sirius Binary System [Samawaati Wal-Arz].” [Sura (44)-Ummatin-Jaasiyah-Verses-36 and 37]

[VJC-04] Equator [Horizontal Line]: Equator [Horizontal Line] divides the Universe into two Horizons. Two Horizons are West Horizon [Samawaat] and East Horizon [Arz]. Dead Land is the Manifested Sign of the East Horizon [Arz]. So, the Gravitational Field is called **East**. Galaxy of Stars is the Manifested Sign of the West Horizon [Samawaat]. So, the Strong Field is called **West**. East Horizon [Gravitational Field or Arz] is the Substratum of Physics. The Substratum of Physics is called Sirius-A. West Horizon [Strong Field or Samawaat] is the Substratum of Astronomy and Astrophysics. The Substratum of Astronomy and Astrophysics is called White Dwarf Companion Sirius B. Universe [Aalamiin] is the Ultimate Substratum of Sirius A [Arz] and White Dwarf Companion Sirius B [Samawaat]. So, the Universe [Aalamin] is a Sirius Binary System [Samawaati wal-Arz]. “----- To Allah belongs the **Forces** of the West Horizon [Strong Force] and the East Horizon [Gravitational Force].” [Sura (47)-Fatham-Mubiin-Verses-1 to 7] “-----And among His Signs is the creation of Sirius

Binary System [Samawaati wal-Arz], and the living creatures that He has scattered through them.” [Sura (41)-Amruhum Shuuraa Baynahum-Verses-27 to 35]. Universe is not a planetary system. Universe is a **Star System**.

[VJC-05] Prime Meridian [Vertical Line]: Prime Meridian [Vertical Line] divides the Universe [Aalamiin] into two Hemispheres. Two Hemispheres are Northern Hemisphere and Southern Hemisphere. Left [Shimal] of the Prime Meridian [Vertical Line] is called Northern Hemisphere [Aphelion or Haiyalas-Swalaah]. Right [Yamin] of the Prime Meridian [Vertical Line] is called Southern Hemisphere [Perihelion or Haiyalal-Falaah]. Northern Hemisphere [Aphelion of Haiyalas-Swalaah] is called Magnetic Field. Magnetic Field [Left (Shimal) of the Prime Meridian (Vertical Line)] is called **North** [North Pole or E-Point]. Southern Hemisphere [Perihelion or Haiyalal-Falaah] is called Weak Field. Weak Field [Right (Yamin) of the Prime Meridian (Vertical Line)] is called **South** [South Pole or T-Point]. Equal & Opposite Top Semi-anticlockwise (Counter Clockwise) Rotation [Safa] of the Morning Star declining to the right (Yamin) of the Prime Meridian and Top Semi-clockwise Revolution [Marwa] of the Evening Star towards the left (Shimal) of the Prime Meridian are the Manifested Signs of Natural Magnetism and Apriori Proofs [Scientific Proofs] of the Natural Magnetic Directions i. e. Two Natural Light Posts [North Pole and South Pole or E-Point and T-Point] [Equal & Opposite References: Unicode (hex) 1F4B1 from objective point of view and Unicode (hex) 1F4B1 from subjective point of view] “And might have seen tarash-shamsa [so-called sun], when it enters, declining to the right [Electroweak Force or Border] from their Cave, and when it ends, turning away from them to the left [Electromagnetic Force or Back Border], while they lay in the open space in the midst of the Cave [Sirius A]. Such are among the Signs of Allah [Zaalikka min aayaatillaah].” [Sura (17)-As-haabal-Kahf-Verses-17]

[VJC-06-A] Helium-4 Atom [Upright Rectangular Universe]: Universe is a Mighty Star called Diamond Operator [Sirius]. Universe was revealed as a Trinity [Binary Star System]. Universe was manifested as an Upright Rectangle. The Appointed Kaba on the right-side of the Mount Tuur as an Immaam for mankind is the Manifested Sign of the Upright Rectangular Universe. Manifested Upright Rectangular Universe is called “**End of Proof**” [Reference: Unicode (hex) 220E]. “Ibrahim was indeed a model of a people obedient to Allah, by nature upright, and he was not of the mushrikiin-----”. “[Sura (15)-Ilan-Nahl-Verses-120 to 123] “So set your purpose for Diin as a man by nature upright-the nature of Allah, in which He has created man. There is no altering in the nature of Allah’s creation. **This is the Right Diin**” [Sura (29)-Gulibatir-Ruum-Verses-28 to 35] “----- For me, I have turned my face, firmly and truly, toward Him Who created Sirius Binary System [*Samawaati wal Arz or Binary Star System*], as One by Nature Upright, and never shall I give [United Nations as] partners to Allah [*with respect to creation*]”. [Sura (5)-Haazi-hil-an-Aam-Verses-74 to 80]

[VJC-06-B] Helium-4 Atom [Upright Rectangular Universe]: Manifested Upright Rectangular Universe is the Ibrahimial Kitaab. Manifested Upright Rectangular Universe

has Two Horizons [East Horizon and West Horizon, Reference: Unicode (hex) A671] and Two Hemispheres [Southern Hemisphere and Northern Hemisphere or Border and Back Border, Reference: Unicode (hex) 2385]. So, Manifested Upright Rectangular Universe is called Helium-4.

[VJC-07] Four Basic Fields of Helium-4 Atom: Helium-4 Atom has Four Basic Fields. These are Equal & Opposite Gravitational Field and Strong Field as well as Equal & Opposite Weak Field and Magnetic Field. Dead Land, Mountains, and Seas are the Manifested Signs of the Gravitational Field [East]. Stars like Diamonds are the Manifested Signs of the Strong Field [West]. Natural Light [so-called Sun] is the Manifested Sign of the Equal & Opposite Weak Field and Magnetic Field [South and North or Border and Back Border].

[VJC-08] Four Basic Forces of Helium-4 Atom: Helium-4 Atom has Four Basic Forces. These are Equal & Opposite Gravitational Force and Strong Force as well as Equal & Opposite Weak Force and Magnetic Force. An apple falls from the tree towards Gravitational Field [East] due to Gravitational Force [Reference: Newton's Law of Gravitation]. Stars do not fall towards Gravitational Field [East] due to Strong Force. Rain [Drops of Water] comes from the Strong Field [West]. Electromagnetic Wave of

Einstein's Binary Pulsar [Natural Light or so-called Sun] is the Manifested Sign & Apriori Proof [Scientific Proof] of the Equal & Opposite Electroweak Force [South or Border] and Electromagnetic Force [North or Back Border].

[VJC-09] Four Gross Elements of Helium-4 Atom: Helium-4 Atom has Four Gross Elements. These are Equal & Opposite Earth [Soil] and Water [Rain] as well as Equal & Opposite Air and Fire [Light]. Gross Element Earth [Soil] represents East [Gravitational Field or Gravitational Force]. Gross Element Water [Rain] represents West [Strong Field or Strong Force]. Gross Element Air is not visible. Gross Element Fire [Natural Light or so-called Sun] represents Equal & Opposite South [Border or Weak Field or Electroweak Force] and North [Back Border or Magnetic Field or Electromagnetic Force].

[VJC-10] Four Cardinal Directions of Helium-4 Atom: Helium-4 Atom has Four Cardinal Directions. These are Equal & Opposite East and West as well as Equal & Opposite North and South. We know that the Magnetic Field is called North. So, the Weak Field is called South. We also know that an apple falls from the tree towards Gravitational Field [East Horizon or Arz] due to Gravitational Force. So, Rain comes from the West [Strong Field]. Stars appear at night in the West Horizon [Strong Field or Samawaat].

Crucial Instance: A Sign which stands for something [indicates something] is called a Crucial Instance. We are to remember that the Crucified Sign is the Crucial Instance regarding Four Basic Fields-Four Basic Forces-Four Gross Elements-Four Cardinal Directions of Helium-4 Atom. {SDG4 of UNO}

[VJC-11] Appearance and Reality: Manifested Upright Rectangular Universe [Helium-4 Atom] appears as if a Global Sphere due to Elliptical Canopies [Firmaments or Skies or Roofs of the Pentagonal Earth] of the East Horizon [References: Unicode (hex) 1F3F0, Unicode (hex) E957, and Unicode (hex) E052]. There are seven canopies [firmaments] in the West Horizon and in the East Horizon similar number [Sapta Akas and Sapta Patal or Sat Asman and Sat Zamin]. "-----Allah is He Who created seven canopies in the West Horizon [Sapta Akas] and in the world a similar number." [Sura (64)-Tallaq-tumun-nisaaa-a-Verses-8 to 12] "-----And [have We not] built over you seven canopies?" [Sura (77)-Anin-Naba-il-Azim-Verses-1 to 16] "-----He has created seven canopies in the West Horizon [Samawaat] one above another." [Sura (66)-Bi-yadihil-Mulk-Verses-1 to 4]

[VJC-12] Muussal Kitaab [Nine Planets as Nine Eye Opening Evidences]: Solar System is the Invisible Barrier between Equal and Opposite Natural Mechanism. Solar System cannot be the Ultimate Substratum of Nine Planets. So, there is nothing like Solar Universe. Universe is not a Planetary System. Universe is a Star System. Manifested Upright Rectangular Universe is the Substratum of Nine Planets. There is nothing like Exoplanet. Nine Planets are the Nine Eye Opening Evidences. Muussal Kitaab represents Nine Planets as Nine Eye Opening Evidences. So-called Sun and White Moon of each Zone are the Two Clear Proofs [Two Planets] out of Nine Eye Opening Evidences. And verily We gave to Muusaa Nine Clear Proofs [Nine Planets]:-----as eye-opening evidences-----" [Sura (16)-

Banii-Israa-iil-Verses-101 to 104] [These (Light and White) are] among the Nine Clear Signs [you will take] to Firawn and his people-----" [Sura (26)-Waadin-Naml-Verses-7 to 14]

[VJC-13] Planet Jupiter: Lowe Canopy of the West Horizon [Strong Field or Samawaat] adorned with the Galaxy of Approximately 124000 Stars like Diamonds is called Planet Jupiter [References: Unicode (hex) 2728, Unicode (hex) 2728, and Unicode (hex) 1F30C]. "It is He Who makes the Stars for you that you may guide yourselves with their help, through the dark spaces of land and sea." [Sura (5)-Haazi-hil-an-Aam-Verses-96 to 101] "-----And verily in the West Horizon [Samawaat or Strong Field] We have set mansions (galaxies) of the Stars, and We have beautified it for beholders [observers]."----- [Sura (14)-As-haa-bul-Hijril-Mur-saliin-Verses-14 to 25] "-----Furthermore I swear by the places of the Stars, and lo! That is indeed a tremendous oath, if you but know that (this) is indeed Qur-aanuun-Karim, in a Kitaab well-guarded, which none touches save those who are clean, "Tanziilum-mir-Rabbil-Aalamiin"-a Revelation from Rab of the universe. Is it this message that you scorn and have you made it your livelihood that you should declare it false?" [Sura (55)-Waqa-atil-waaqiah-Verses-75 to 82]

[VJC-14] Planet Saturn: East Horizon [Sirius A or Arz] guarded by the Four Basic Forces [Gravitational Force, Strong Force, Weak Force, and Magnetic Force] is called Planet Saturn [References: Unicode (hex) EBD2, Unicode (hex) F617, and Unicode (hex) 1F6B9]. Say: Who is it that

sustains you from the sky [West Horizon] and from the land [East Horizon]? Or who is it that has power over hearing [Southern Hemisphere] and sight [Northern Hemisphere]? And who is it that brings out the living from the dead and the dead from the living [Equal & Opposite]? And who is it that rules and regulates all affairs [such as Sirius Binary System-Mercurial System-Natural Magnetism-Uranian System-Barrier between Equal and Opposite Natural Mechanism (Solar System)]?----- “. [Sura (9)-Qawma Yuunus-Verses-31 to 33] “----- On the Day when heat will be produced out of that [wealth] in the fire of hell, and with it will be branded their foreheads [Strong Force], their borders [Weak Force], and their back borders [Magnetic Force], and their backs [Gravitational Force]. This is the [treasure] which you stored for yourselves.----- --- “ [Sura (8)-Yaqbalut-Tawbata-Verses-34 to 37]

[VJC-15] Planet Pluto [Immovable Hexagonal World]: World [Planet Pluto] was manifested within the East Horizon [Sirius A or Arz or Gravitational Field] as an Immovable Hexagon [Star of David or Asterisk] [References: Unicode (hex) 1F54D and Unicode (hex) 1F52F]. Unit (hex) [Creation in Six Days] is the scientific proof of the Immovable Hexagonal World. “-----And verily in the West Horizon [Samawaat or Strong Field] We have set mansions (galaxies) of the Stars, and We have beautified it for observers.----- And the East Horizon [Arz or Gravitational Field] We have spread out [anti-global], and set thereon mountains firm and immovable;----- --- “ [Sura (14)-As-haa-bul-Hijril-Mur-saliin-Verses-14 to 25] “-----And He has set up in the World [Planet Pluto] Mountains standing firm lest it [Manifested World] should shake with you.” [Sura (15)-Ilan-Nahl-Verses-14 to 19] “----- And We have set in the world mountains standing firm (immovable world), lest it should shake with them,----- ---. And We have made the West Horizon [Strong Field or Samawaat] as a canopy [roof] well guarded.-----“ [Sura (20)-Rasuul (Prev. Ambiyaa)-Verses-30 to 33] “He has created the West Horizon [Samawaat] without pillars that you can perceive. He has set mountains standing firm in the East Horizon [Arz] lest it [East Horizon or Arz] should shake with you.---- Such is the Creation of Allah.---“ [Sura (30)-Luqmaan-Hikmata-Verses-10 & 11] “----- And at the Mountains, how they are fixed firm? And at the land how it is spread (anti-global) ?” [Sura (87)-Hadiisul-Gaashiyah-Verses-1 to 26] “----- Have We not made the land [Gravitational Field] as a wide expanse [anti-global], and the mountains as pegs [of the Immovable World]? “Laqad kaana li-Saba-‘in-fii maskanihim Aayah; Jannataani any-yamiininwwa shimaal. Kuluu mir-Rizqi Rabbikum wash-kuru lah; Baldatun-tay-yibatunwwa Rabbun Gafuur”- There was indeed a Mark for Saba, in their dwelling place- Two Gardens to the right and to the left. Eat of the Sustenance [provided] by your Rab, and be grateful to Him: A territory fair and happy, and a Rabbun Gafuur. But they turned away, and We sent against them the flood [released] from the dams, and in exchange for their two Gardens gave them two Gardens bearing bitter fruit, and tamarisks, and here and there a Lote-Tree. That was the requital We gave them because of their ingratitude. And We never give [such] requital except to such as ingrates. And We set between

them and the towns which We had blessed, towns easy to be seen, and between them We had appointed stages of journey in due proportion. Travel therein, secure, by night and by day. But they said: Our Rab! Place longer distances between our journey-stages. But they wronged themselves [therein]. At length We made them as a tale, and We dispersed them all in scattered fragments. Verily in these are Marks for each steadfast, grateful [heart]. And Shaatyan [Devil] indeed found his calculation true concerning them, for they follow him all except a group of true believers. But he [Shaytan or Devil] had no authority over them except that We might test the man who believes in the hereafter from him who is in doubt concerning it, and takes note of all things. [Sura (33)-Li-Saba-in-fii-Verses-15 to 21]

People of the Eastern Daylight Time Zone cannot perceive Top Semi-clockwise Revolution of the Appointed Daylight [Evening Show of the Planet Venus] from the South Pole to the North Pole due to Solar System [Gravitational Wave or Bish-Shamsi or Danger] [Reference: Unicode (hex) 2020]. Solar System [Gravitational Wave of Einstein's Binary Pulsar] is the "Common Run" between Eastern Daylight Time Zone [Mashriq] and Western Daylight Time Zone [Magrib]. Wax Feeble Zakariya [Octagonal Matter Particles] is the Barrier between Equal and Opposite Kitaabi Maryam.

---Bethink you of him who had an argument with Ibrahim about his Rab, because Allah had granted him the kingdom. How! When Ibrahim said: My Rab is He Who gives life and death [Equal & Opposite]. He (Namruud) answered: I give life and cause death. Said Ibrahim: Allah causes bish-shamsi (Gravitational Wave of Einstein's Binary Pulsar or Solar System) to rise from the East [Mashriq]; so do you cause him to rise from the West [Magrib]? Thus was the disbeliever [of Truth] confused and Allah does not guide the wrong doing folk (yahdil-qawmaz-zaalimin). [Sura (1)-An-tazbahuu Baqarah-Verse-258]

And make mention of Maryam [Sister Planet Venus or She-camel of Allah] in the Kitaab [Wazkur fil-Kitaabi Maryam], when she had withdrawn from her people to a chamber looking East [Downward Direction or Gravitational Field], she placed a screen [Veil or Dark Umbrella or Solar System] from them.----- [Sura (18)-Iisabnu-Maryam-Verses-16 to 36]

Evening Show of the Sister Planet Venus] are among the indications of Allah.-----“ [Sura (1)-An-tazbahuu Baqarah-Verses-158 to 163]

[VJC-30] Natural Magnetism [Kitaabi Maryam]-B: Alteration of Day & Night is the Manifested Sign of Natural Magnetism & Clear Proof [Apriori Proof or Scientific Proof] of Natural Magnetic Directions [Natural Light Posts-North Pole and South Pole]. Infallible & Unerring Statistics regarding Alteration of Day & Night i. e. Twice Entering [Entering and Rising] Twice Ending [Setting and Ending] represents Equal & Opposite Rotation and Revolution of the Appointed Daylight [so-called Sun] in a Day [24 Hours] as follows-

[EDTZ] Eastern Daylight Time Zone: Eastern Daylight Time Zone of the Pentagonal Planet Earth like 9/11 Pentagon [Star Operator] comprises North-East Region of North America and South-East Region of South America. In the Eastern Daylight Time Zone, the so-called Sun [Natural Light] enters from the North Pole and sets in the South Pole crossing the Middle-East Region of Eartha 3D.

[WDTZ] Western Daylight Time Zone: Western Daylight Time Zone of the Pentagonal Planet Earth like 9/11 Pentagon [Spider’s House] comprises South-West Region of South Africa-Asia-Australia, Upright-West Region of Arabian Peninsula, and North-West Region of Europe. In the Western Daylight Time Zone, the so-called Sun [Natural Light] rises from the South Pole and ends in the North Pole covering the Mountain Top Stair of Arabian Peninsula.

Systems have passed away before you [apriori sciences]. [Sura (2)-Alal-Imraan-Verses-137 to 143]. Every day He exercises (un-interfering) power. [Sura (54)-Ar-Rahman-Verses-29 and 30] Behold! In the creation of Sirius Binary System [West Horizon and East Horizon], and the alternation of night and day [Natural Magnetism], there are indeed Manifested Signs for men of understanding; such as remember Allah, standing, sitting, and lying down on their sides, and contemplate [give thought of] the creation of Sirius Binary System [Samawaati wal-Arz], [and say]: Our Rab! You have not created this in vain! [Sura (2)-Alal-Imraan-Verses-189 to 195] There is neither an animal in the world nor a being that flies on its two wings, but [forms part of] communities [revelations] like you. Nothing have we omitted from the Kitaab [Manifested Text of both Law of Conservation of Matter and Law of Conservation of Energy]. [VJC-30] Natural Magnetism [Morning Show]-C: Every day a New Star [Morning Star as if it was not flourished yesterday] enters [Reference: Unicode (hex) E19C] looking East [Gravitational Field] from the North Pole [Magnetic Field or Left (Shimal) of the Prime Meridian] in correspondence to the North-East Region of North America

[Reference: Unicode (hex) E8D9] and **sets** in the **South Pole** [Weak Field or Right (Yamin) of the Prime Meridian] in correspondence to the South-East Region of South America [Reference: Unicode (hex) E77A] crossing the Middle-East Region of Eartha 3D [Reference: Unicode (hex) E1C4]. This is the Top Semi-anticlockwise Rotation [Morning Show or Safa or Unicode (hex) F739] of the Planet Venus [so-called Sun or Tarash-Shamsa] as Electroweak Force [Reference: Unicode (hex) 219C] of the Electromagnetic Wave of Einstein's Binary Pulsar for the Eastern Daylight Time Zone [North America and South America]. This Top Semi-anticlockwise Morning Show [Rotation or Safa] before the Prime Meridian represents Vulgar Fraction One Half Journey of the so-called Sun [Electromagnetic Wave or Natural Light] and Muussa's Forty Night Journey. People of the Western Daylight Time Zone [Upper Seashore or Ramrajya] cannot perceive Morning Star [Rotation of the so-called Sun or Morning Show of the Planet Venus or Safa of the She-camel of Allah] due to Solar System [Invisible Barrier between Equal and Opposite Natural Mechanism or Lakshman Rekha between Zone of Ravana and Ramrajya or Bish-shamsi or Gravitational Waves of Einstein's Binary Pulsar].

[VJC-30] Natural Magnetism [Sent Forward and Kept Back]-D: The so-called Sun [Cannon Ball of Newton or BULLET of UNO or Planet Venus] as the Manifested Sign of Natural Magnetism turns away from the Setting Point [Weak Field or South Pole or T-Point] due to Equal & Opposite Apriori Framework, Unalterable Laws of Nature such as Newton's Third Law-"Equal & Opposite", and Un-interfering Natural Mechanism such as Natural Magnetism [sent forward and kept back]. Natural Light [Electromagnetic Wave] changes its direction within the East Horizon [Cave] with reference to Einstein's Binary Pulsar. Sent Forward and Kept Back [Sura (81)-Izas-Samaaaa-unfatarat-Verses-1 to 5]

[VJC-30] Natural Magnetism [Evening Show]-E: The so-called Sun [Evening Star of the Planet Venus] **rises** from the **South Pole** [Weak Field or Right (Yamin) of the Prime Meridian] in correspondence to the South-West Region of South Africa-Asia-Australia [Reference: Unicode (hex) 1F507] and **ends** in the **North Pole** [Magnetic Field or Left (Shimal) of the Prime Meridian] in correspondence to the North-West Region of Europe [Reference: Unicode (hex) 1F33A] covering the Mountain Top Stair of the Appearing Pentagonal Planet Earth [Upright-West Region of Arabian Peninsula, Reference: Unicode (hex) 1F359]. This is the Top Semi-clockwise Revolution [Evening Show or Marwa or Unicode (hex) ECC5] of the Planet Venus [so-called Sun or Tarash-Shamsa] as Electromagnetic Force [Reference: Unicode (hex) 219D] of the Electromagnetic Wave of Einstein's Binary Pulsar for the Western Daylight Time Zone [South Africa, Asia, Australia, Arabian Peninsula, and Europe]. This Top Semi-clockwise Evening Show [Revolution or Marwa] behind the Prime Meridian represents Vulgar Fraction Three Quarters Journey for the Middle Stair or Kepler's Semi-major Axis or Muussa's Thirty Night [South Africa, Asia, Australia, and Europe] and Vulgar Fraction One Quarter Journey for the Mountain Top Stair or Kepler's Major Axis or Ten More [Arabian Peninsula] of the so-called Sun [Electromagnetic Wave or

Natural Light]. People of the Eastern Daylight Time Zone [Lower Seashore or Zone of Ravana] cannot perceive Evening Star [Revolution of the so-called Sun or Evening Show of the Planet Venus or Marwa of the She-camel of Allah] due to Solar System [Invisible Barrier between Equal and Opposite Natural Mechanism or Lakshman Rekha between Ramrajya and Zone of Ravana or Bish-shamsi or Gravitational Waves of Einstein's Binary Pulsar].

[VJC-30] Natural Magnetism [Three Stages of Journey]-F: Parable of Zil-Qarnayn [Reference: Sura (17)-As-haabal-Kahf-Verses-83 to 110] has been sharing with us Three Stages of Journey of the Appointed Daylight [so-called Sun]. Three Stages of Journey of the so-called Sun [Appointed Daylight] in correspondence to the Three Ascending Stairs of the Pentagonal Planet Earth like 9/11 Pentagon [Star Operator or House] are as follows

[I] Ground Stair and Eastern Daylight Time Zone: Kepler's Minor Axis, Anti-clockwise Vulgar Fraction One Half, Muussa's Forty Night [Ref. Sura (1)-An-tazbahuu Baqarah-Verses-47 to 52], or Magribashshamsi

[II] Middle Stair and Western Daylight Time Zone: Kepler's Semi-major Axis, Clockwise Vulgar Fraction Three Quarters, Muussa's Thirty Night [Ref. Sura (6)-Alal-A-Raaf-Verses-142 and 143], or Majli-ash-shamsi

[III] Mountain Top Stair and Western Daylight time Zone: Kepler's Major Axis, Clockwise Vulgar Fraction One Quarter, Muussa's Ten More [Ref. Sura (6)-Alal-A-Raaf-Verses-142 and 143], or Hay-nas-saddayni

She-camel: She-camel of Allah: But the Messenger of Allah said to them: It [Wash-Shamsi or so-called Sun] is the She-camel of Allah. [Sura (90)-Wash-Shams-Verses-1 to 15] This she-camel of Allah is a Sign to you. [Sura (10)-Qawma Huud-Verses-61 to 68] "-----For We are sending the she-camel [Sister Planet Venus or so-called Sun] by way of trial for them. So watch them, and have patience! And inform them that the water is to be divided between them [into Two Seashores (Zones)].----- [Sura (53)-Wanshaqqal-Qamar-Verses-23 to 32], [Sura (6)-Alal-A-Raaf-Verses-73 to 79], [Sura (16)-Bani-Israa-iil-Verses-59 and 60], [Sura (25)-Wash-shu-'araaa-'u-Verses-141 to 159], [Sura (53)-Wanshaqqal-Qamar-Verses-23 to 32]

[VJC-31] Binary Pulsar [Relation between Natural Magnetism and Solar System]: Pythagorean Numbers 'Point' denotes 'One', 'Line' denotes 'Two', 'Plane' denotes 'Three', and 'Solidity' denotes 'Four'. Binary Pulsar is the 'Line-Two' of Pythagorean Number. It expresses the relation between Natural Magnetism [Tarash-shamsa or Wash-Shamsi or She-camel of Allah] and Solar System [Bish-Shamsi]. Binary Pulsar is the relation between "Maryam supplied with Sustenance" and "Zakariya, the Guardian of Maryam". Binary Pulsar is the relation between Kitaabi Maryam and Wax Feeble Zakariya. Solar System [Zakariya, the Guardian of Maryam] is the Line of Demarcation [Lakshman Rekha or Veto or Invisible Barrier] between Morning Show [Safa] and Evening Show [Marya] of the Planet Venus [Appointed Daylight]. Solar System is the Line of Demarcation [Lakshman Rekha or Veto or

Invisible Barrier] between Top Semi-anticlockwise Rotation and Top Semi-clockwise Revolution of the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions. Einstein has recognized the Natural Magnetism [Tarash-shamsa or Maryam supplied with Sustenance] as Electromagnetic Wave [Converted Snake of Muussa's Staff active in motion]. He has recognized the Solar System [Bish-shamsi or Wax Feeble Zakariya] as Gravitational Wave. Solar System [Gravitational Wave or Bish-Shamsi] is the Invisible Barrier [Lakshman Rekha or Veto] between Electroweak Force and Electromagnetic Force of the Electromagnetic Wave [Tarash-Shamsa]. Solar System [Gravitational Wave] is common to both Electroweak Force [Morning Show or Safa] and Electromagnetic Force [Evening Show or Marwa].

Binary Pulsar: Verses-35 to 37 of Sura (2)-Alal-Imran

[Maryam supplied with Sustenance and Zakariya, the Guardian of Maryam]

(Remember) when the wife of Imraan said: O Allah! I do dedicate to You what is in my womb for Your special service, accept this from me, for You hears and knows all things. And when she was delivered, she said: My Rab! Lo! I am delivered of a female. Allah knew best what she brought forth. The male is not as the female; and Lo! **I have named her Maryam**, and Lo! I desire Your protection for her and **her off springs** from Shaytan the outcast. And her Rab accepted her (Maryam) with full acceptance. Allah made her grow in purity and beauty and appointed **Zakariya** her guardian. Whenever **Zakariya** enters into the sanctuary where she (Maryam) is, **he finds her supplied with sustenance**. He asks: O **Maryam!** Whence [comes] this to you? She answered: It is from Allah, for Allah provides **sustenance** to whom He pleases without measure.

Einstein's Binary Pulsar

[Electromagnetic Waves (Natural Magnetism) and Gravitational Waves (Solar System)]

Just as **accelerating charges can emit electromagnetic waves, accelerating masses can emit gravitational waves**. However gravitational waves are difficult to detect because they are very weak and no conclusive evidence has yet been reported for their direct observation. *They have been observed indirectly in the binary pulsar*. Because the arrival time of pulses from the pulsar can be measured very precisely, it can be determined that the period of the binary system is gradually decreasing.

The electromagnetic field can have waves in it that carry energy and that we call **light**. Likewise, the gravitational field can have waves that carry energy and are called *gravitational waves*. These may be thought of as ripples [waves] **in the curvature of space-time that travel at the speed of light**.

Einstein's theory predicts that **the direction of light propagation should be changed** in a gravitational field, contrary to the Newtonian predictions. **Precise observations indicate that Einstein is right**, both about the effect and its magnitude. A striking consequence is gravitational lensing.

[VJC-32] **E-Point and T-Point:** Equal & Opposite is the Unalterable Law of Nature. **North Pole** [Left (Shimal) of the Prime Meridian] is the Equal & Opposite **Entering Point** of the Appointed Daylight as Top Semi-anticlockwise [Counter Clockwise] Morning Show for the Eastern Daylight Time Zone and **Ending Point** of the Appointed Daylight as Top Semi-clockwise Evening Show for the Western Daylight Time Zone. So, **North Pole** [Left (Shimal) of the Prime Meridian] is called **E-Point**. **South Pole** [Right (Yamin) of the Prime Meridian] is the Equal & Opposite **Setting Point** of the Appointed Daylight as Top Semi-anticlockwise [Counter Clockwise] Morning Show for the Eastern Daylight Time Zone and **Rising Point** of the Appointed Daylight as Top Semi-clockwise Evening Show for the Western Daylight Time Zone. That means **South Pole** [Right (Yamin) of the Prime Meridian] is the **Setting-Turning-Rising Point** of the Appointed Daylight. So, **South Pole** [Right (Yamin) of the Prime Meridian] is called **T-Point**.

[VJC-33] **Four Points of the Appointed Daylight [Twice Entering and Twice Ending of the so-called Sun]:** Equal & Opposite is the Unalterable Laws of Nature. **North-East** in correspondence to the North-East Region of North America [**Entering Point** of the Morning Star for the Eastern Daylight Time Zone] and **South-West** in correspondence to the South-West Region of South Africa-Asia-Australia [**Rising Point** of the Evening Star for the Western Daylight Time Zone] are the Equal & Opposite Regions of the Appearing Pentagonal Planet Earth [Star Operator]. So, we cannot perceive the presence of the Appointed Daylight [so-called Sun] at a time in the Equal & Opposite North-East Region of North America and South-West Region of South Africa-Asia-Australia. **South-East** in correspondence to the South-East Region of South America [**Setting Point** of the Morning Show for the Eastern Daylight Time Zone] and **North-West** in correspondence to the North-West Region of Europe [**Ending Point** of the Evening Show for the Western Daylight Time Zone] are the Equal & Opposite Regions of the Appearing Pentagonal Planet Earth [Star Operator]. So, we cannot perceive the presence of the Appointed Daylight [so-called Sun] at a time in the Equal & Opposite South-East Region of South America and North-West Region of Europe. **Four Points of Light** represents **North-East and South-West** [Equal & Opposite Entering Point and Rising Point] as well as **South-East and North-West** [Equal & Opposite Setting Point and Ending Point]. ☒ stands for the Four Points of Light within the East Horizon [Sirius A or Cave] of the Upright Rectangular Universe [Helium-4 Atom].

Evidence Sorcery and Epistemic Persecution [Concealment of Real such as Natural Magnetism and Projection of Unreal such as Man-made Magnetism as if Real or Conscious Conspiracy and Manifest Hypocrisy]: **E-point [North Pole]** is the Natural Light Post for the Equal & Opposite **Entering Point** of the so-called Sun [Morning Star] in correspondence to the **North-East** Region of North America for the Eastern Daylight Time Zone and **Ending Point** of the so-called Sun [Evening Star] in correspondence to the **North-West** Region of Europe for the Western Daylight Time Zone. Now, the **concealment of North** from **North-East** and **North-West** inventing **Man-made**

Natural Magnetism has been manifesting that the so-called **Sun enters from the East Pole** for the Eastern Daylight Time Zone and **ends in the West Pole** for the Western Daylight Time Zone. Correspondingly, it is being taught in schools [educational institutions] that **the so-called Sun enters [rises] from the East and ends [sets] in the West** Barbarously & Universally Violating our Inborn Rights [Inalienable Natural Rights] established as Fundamental Rights [Constitutional & Legitimate Rights] of the Members of the Human Family [including Children] **under UN UDHR-1948** [and corresponding UN CRC and Fact Sheet of UNICEF] and under Articles-14, 19, 21, and 25 of the Constitution of India [and corresponding RTE Act-2009].

Consequences of Evidence Sorcery and Epistemic Persecution: Every day we perceive Alteration of Day & Night for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone under Natural Circumstances. Moreover, we have not yet perceived **“Common Run”** of the so-called Sun [Morning Star and Evening Star] from the East Pole to the West Pole for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone under Natural Circumstances. However, we are unaware of the Manifested Signs of Natural Magnetism [Morning Star and Evening Star] and the Apriori Proofs (Scientific Proofs) of Natural Magnetic Directions [North Pole (Magnetic Field) and South Pole (Weak Field)] due to uninterrupted propagation of the Invented Lie & Introduced Falsehood of the Global Scientific Community such as Man-made Natural Magnetism within the Curriculum of Natural Science establishing Global Standard Suitable Rules-Contrary Formalities-Contradictory Guidelines-Conspiracy Parameters-Petitio Principii Mandates-Post Hoc Ergo Propter Hoc Legitimacy-Hypocritical Treaties-Autonomy of Anti-natural Science [Global Science]-Anti-human Covenants. So, it is self-evident [crystal clear] that Man-made Natural Magnetism is the Handwork of the Devils of Humankind. This Anti-natural & Anti-human Handwork of the Devils of Humankind is the Vera Causa [Verifiable & Justifiable Causes] of Human Sufferings since antiquity [particularly since Globalization]. **We are to remember that Conscious & Intentional Persecution** [Evidence Sorcery and Epistemic Persecution or Concealment of Real and Projection of Unreal as if Real or Conscious Conspiracy and Manifest Hypocrisy] **is worse than killing.**

[VJC-34] Newton’s Visual Binaries [Two Moons or Two-fold Mercy or Twain]: There is sole Equal & Opposite Manifested Nature. We have not yet perceived presence of the Appointed Daylight [so-called Sun or Planet Venus] during dark night. We have not yet perceived presence of the Appointed Daylight [so-called Sun or Planet Venus] at a time in the Equal & Opposite North-East Region of North America and South-West Region of South Africa-Asia-Australia under Natural circumstances. We have not yet perceived the presence of the Appointed Daylight [so-called Sun or Planet Venus] at a time in the Equal & Opposite South-East Region of South America and North-West Region of Europe under Natural Circumstances. So, it is self-evident that there is sole Sun [Planet Venus] for the Equal & Opposite Eastern Daylight Time Zone and Western

Daylight Time Zone. [References: Unicode (hex) 1F3F9 and Unicode (hex) 1F3D6]

Hypothetical Statements: If there is sole Moon [NASA’s Moon or Introduced Calf of Firawn] for the Equal & Opposite Western Daylight Time Zone and Eastern Daylight Time Zone, then it is not possible to perceive the Sporadic Appearance of the White Moon [Planet Uranus] during Broad Daylight in our Zone under Natural Circumstances because there is an Invisible Barrier [Lakshman Rekha or Gravitational Wave or Bish-Shamsi] called Solar System between Western Daylight Time Zone and Eastern Daylight Time Zone. Moreover, it is also not possible to perceive NASA’s Moon [Introduced Calf of Firawn] at a time in the Equal & Opposite North-East Region of North America and South-West Region of South Africa-Asia-Australia. It is also not possible to perceive NASA’s Moon [Introduced Calf of Firawn] at a time in the Equal & Opposite South-East Region of South America and North-West Region of Europe. It is also not possible to perceive Eclipse under Natural Circumstances.

Categorical Statements: We perceive Sporadic Appearance of the White Moon [Planet Uranus] during Broad Daylight in our Zone under Natural Circumstances. We also perceive Eclipse in our Zone under Natural Circumstances. So, it is self-evident [crystal clear] that we often perceive White Moon [Planet Uranus] at a time in the Equal & Opposite North-East Region of North America and South-West Region of South Africa-Asia-Australia. It is also self-evident [crystal clear] that we often perceive White Moon [Planet Uranus] at a time in the Equal & Opposite South-East Region of South America and North-West Region of Europe.

NASA: Space is hard. We commend[at]ISRO’s attempt to land their#Chhandrayaan2 mission on the Moon’s South Pole. You have inspired us with your journey and look forward to future opportunities to explore our solar system together.

Self-evident Truth: Sporadic Appearance of the White Moon [Planet Uranus] during Broad Daylight and Eclipse under Natural Circumstances have proved Newton’s Visual Binaries [Two Moons or Two-fold Mercy or Twain or Divided Moon] on the basis of Crucial Instances and Eye Opening Evidences. White Moon of each Zone is called Planet Uranus. Moon’s North Pole denotes White Moon [Planet Uranus] of the Western Daylight Time Zone [References: Unicode (hex) 263D and Unicode (hex) 1F312]. Moon’s South Pole denotes White Moon [Planet Uranus] of the Eastern Daylight Time Zone [References: Unicode (hex) 263E and Unicode (hex) 1F318]. It is not possible to perceive Newton’s Visual Binaries [Two Moons or Divided Moon] together in the same Zone. However, it is an easy task to cognize Newton’s Visual Binaries [Two Moons or Divided Moon] on the basis of Clear Proofs such as Sporadic Appearance of the White Moon during Broad Daylight and Eclipse under Natural Circumstances. Now, Finite Rational Beings [including Astronauts of NASA and Spiritualists of IFTA] are absolutely unable to prove that there is sole NASA’s Moon [introduced Calf of Firawn or Neil Arm Strong’s Visited Moon] for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone.

Mechanical Barbarism and Scientific Terrorism: What is the difference between Astronomy and Physics? If there is no difference between Astronomy [Form] and Physics [Matter], then the exhibited Chandrayaan is called verifiable science [certain knowledge]. If Chandrayaan is called Verifiable Science, then we are to believe that the so-called Astronauts and Astronomers [Specifically Scientists of NASA] can invent anything out of nothing. They are not scientists. On the contrary, they are great magicians. So, Ex Nihilo Nihil Fit [Law of Causation] is a Self-contradictory & Paradoxical Law. We are to remove the Law of Causation [Ex Nihilo Nihil Fit] from the Framework & Curriculum of Science. However, if there is a difference between Astronomy and Physics, then the exhibited Chandrayaan is nothing but Mechanical Barbarism and Scientific Terrorism. As there is a difference between Astronomy [Formal Ground] and Physics [Material ground], so, it is self-evident that the exhibited Chandrayaan is nothing but Mechanical Barbarism and Scientific Terrorism. Moreover, the Law of Causation [Ex Nihilo Nihil Fit] is an Unalterable Law of Nature. So, each individual endowed with common sense is able to prove that the exhibited Chandrayaan is nothing but Mechanical Barbarism and Scientific Terrorism. We [people of this equal & opposite manifested nature] perceive Sporadic Appearance of the White Moon and Eclipse under Natural Circumstances. However we are unaware of Newton's Visual Binaries [Two Moons or Divided Moon or Twain or Two-fold Mercy] due to Exhibited Chandrayaan. Now, Scientists, Astronauts, Astronomers, Astrophysicists, Spiritualists, Great Magicians, and Members of the Well-established Global Family [Adopted Family of the United Nations] are absolutely unable to prove that there is sole Neil Arm Strong's Visited Moon [NASA's Moon or Introduced Calf of Firawn] for the Equal & Opposite Western Daylight Time Zone and Eastern daylight Time Zone.

“Yas-aluunaka anil-Ahillah”-**They** [people of the entire world] **ask you concerning New Moons** [contradictory to projected Neil Armstrong's visited sole Moon (NASA's Moon)]. Say [to mankind]: **They** [White Moon of the West Zone and White Moon of the East Zone] are nothing except **Signs** to mark fixed periods of time in [the affairs of] men, and for Pilgrimage.----- “ [Sura (1)-An-tazbahuu Baqarah-Verses-189]

“**The Hour is near and the moon was rent in twain** [White Moon of the West Zone and White Moon of the East Zone (Two-fold Mercy or Newton's Visual Binaries or Two Moons or Divided Moon)].----- “ [Sura (53)-Wanshaqqal-Qamar-Verses-1 to 17]

Introduced Calf of Firawn: And when Muusa said to his people: O my people! You have indeed wronged yourselves by your worship of the calf. [Sura (1)-An-tazbahuu Baqarah-Verses-53 and 54] Yet they worshipped the calf even after Clear Proofs had come to them. [Sura (3)-Aatun-Nisaaa-a-Verses-153 to 159], [Sura (1)-An-tazbahuu Baqarah-Verses-47 to 52], [Sura (1)-An-tazbahuu Baqarah-Verses-92 and 93], [Sura (6)-Alal-A-Raaf-Verses-148 to 151], [Sura (6)-Alal-A-Raaf-Verses-152 to 156], [Sura (10)-Qawma Huud-Verses-69 to 75], [Sura (19)-Taa-Haa-Verses-86 to 89]

[VJC-35] **Single Root [North Pole]-Same Water-Two Highways:** Every day a New Star [Morning Star] as if it was not flourished yesterday **enters looking East** [Gravitational Field or Arz] from the **North Pole** [E-Point or Magnetic Field] for the Eastern Daylight Time Zone. When the so-called Sun [Morning Star] enters from the North Pole [Magnetic Field] for the Eastern Daylight Time Zone, the **New Moon** [Planet Venus] **emerges** from the **Same Root** [North Pole or Magnetic Field] for the Western Daylight Time Zone. So, Moon's North Pole denotes White Moon [Planet Venus] of the West Zone. In the Eastern Daylight Time Zone [North America and South America] **Morning** [Daylight] **precedes Evening** [Dark Night]. In the Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and South Africa], **Evening** [Dark Night] **precedes Morning** [Daylight]. ☐ stands for the Single Root-Same Water [Two Highways] within the East Horizon [Sirius A or Cave] of the Upright Rectangular Universe [Helim-4 Atom]. [Reference of Two Highways: Unicode (hex) E165]

Appointed Days and Solidarity Rights: Appointed Days of Allah such as Idd should be observed in correspondence to the emerging of the New Moon [Planet Venus] from the North Pole [Left (Shimal) of the Prime Meridian (Appointed Kaba) or Magnetic Field] for the Western Daylight Time Zone. Western Daylight Time Zone comprises North-West Region of Europe, Upright-West Region of Arabian Peninsula, and South-West Region of South Africa-Asia-Australia. So, Muslims of the Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and South Africa] should observe the Appointed Days of Allah such as Idd prior to the Muslims of the Eastern Daylight Time Zone [South America and North America]. Eastern Daylight Time Zone comprises South-East Region of South America and North-East Region of North America. Muslims of the Eastern Daylight Time Zone [South America and North America] should observe the Appointed Days of Allah such as Idd on the following Morning. So, Muslims of the Immovable Hexagonal World [Star of David] appearing as a Pentagonal Earth [Star Operator] with Three Ascending Stair [Superscripts] within the East Horizon [Sirius A] of the Upright Rectangular Universe [Helium-4 Atom] should observe the Appointed Days of Allah such as Idd within 24 Hours. This is called **Unity-in-Diversity**.

Consequences of Mechanical Terrorism and Black & White Activism: However, Muslims of the Rotating & Revolving Global Planet Earth of the United Nations [UNO and Special Agencies of UNO] have been observing the Appointed Days of Allah such as Idd on **two successive days** on the basis of the Introduced Calf of Firawn [NASA's Moon or Neil Arm Strong's Visited Sole Moon]. This is called **Diversity-in-Unity**. My family members are the disbelievers of the Revealed Science [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Manifested Nature such as Divided Moon (Twain or Two-fold Mercy or Visual Binaries)]. On the contrary, they are the believers of Invented Lies [Scientific Terrorism of NASA] & Introduced Falsehoods [Black & White Activism of IFTA] of the Devils of Humankind [Asuras or Shaytans] such as NASA's Moon [Neil Arm Strong's Visited Sole Moon (Introduced Calf of Firawn) and Chandrayaan]. It is self-evident [crystal clear] that my

family members as the possessors of the Universally Accepted & Well-established Global Science [Global Education] have not yet observed Days of Allah such as Idd on the Appointed Day in accordance with Authentic Information [Kitaaba bil-Haq or Verses of Quran or Kalamallaahi] and in correspondence to Reality [Quran or Equal & Opposite Revelation and Corresponding Manifestation].

[VJC-36] Single Root [South Pole]-Same Water-Two Highways: When the so-called Sun [Evening Star] rises **looking East** [Gravitational Field or Arz] from the **South Pole** [Right (Yamin) of the Prime Meridian (Appointed Kaba) or Weak Field] for the Western Daylight Time Zone, the **New Moon** [Planet Venus] **appears** from the **Same Root** [South Pole] for the Eastern Daylight Time Zone. So, Moon's South Pole denotes White Moon [Planet Venus] of the East Zone. Newton's Visual Binaries denote Moon's North Pole [White Moon or Planet Uranus of the West Zone] and Moon's South Pole [White Moon or Planet Uranus of the East Zone]. We perceive Sporadic Appearance of the White Moon during Broad Daylight in our Zone under Natural Circumstances due to Newton's Visual Binaries [Two Moons or Two-fold Mercy or Twain or Divided Moon]. We also perceive Eclipse in our Zone under Natural Circumstances due to Newton's Visual Binaries [Two Moons or Two-fold Mercy or Twain or Divided Moon]. ☐ stands for the Single Root-Same Water [Two Highways] within the East Horizon [Sirius A or Cave] of the Upright Rectangular Universe [Helium-4 Atom]. [Reference of Two Highways: Unicode (hex) E1F2]

[VJC-37] Four Galilean Moons: Equal & Opposite is the Unalterable Law of Nature. There are Two White Moons [Newton's Visual Binaries]. So, there are Two Dark Moons [Reference: Unicode (hex) 1F3F9]. Dark Moon of each Zone is called **Planet Neptune**. Planet Neptune is called Earth's Night Sky. Planet Neptune is enveloped. So, Planet Neptune is not visible to the unaided eye. Planet Neptune is subject to Gravitational Perturbation. **Four Galilean Moons denote** Equal & Opposite White Moon [Planet Uranus] and Dark Moon [Planet Neptune] of the West Zone as well as Equal & Opposite White Moon [Planet Uranus] and Dark Moon [Planet Neptune] of the East Zone.

[VJC-38] Uranian System: Periodic Motion of the Equal & Opposite White Moon [Planet Uranus] and Dark Moon [Planet Neptune] of the West Zone [Upper Seashore or Ramrajya] represents the Uranian System for the Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and South Africa]. People of the Eastern Daylight Time Zone [South America and North America] cannot perceive the Uranian System of the Western Daylight Time Zone due to Lakshman Rekha [Invisible Barrier or Solar System or Gravitational Wave or Bish-shamsi or Separating Bar]. Periodic Motion of the Equal & Opposite White Moon [Planet Uranus] and Dark Moon [Planet Neptune] of the East Zone [Lower Seashore or Zone of Ravana] represents the Uranian System for the Eastern Daylight Time Zone [South America and North America]. People of the Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and South Africa] cannot perceive the Uranian System of the Eastern Daylight Time Zone due to Lakshman Rekha

[Invisible Barrier or Solar System or Gravitational Wave or Bish-shamsi or Separating Bar]. [Reference of Uranian System: Unicode (hex) 262F]

[VJC-39] Mercurial System: Planet Mercury is gravitationally locked and has **no reflection** [mirror image]. So, **it is not possible to exhibit the Planet Mercury on the Screen**. It is an impossible task before Devils of Humankind [Global Scientists and Scientific Terrorists of NASA] to exhibit the Size-Shape-Colour of their Soul on the Screen. Similarly, it is an impossible task before created beings to exhibit the Planet Mercury on the Screen. Exhibited Planet Mercury on the Screen is nothing but the Imaginary Size-Shape-Colour of the Soul of the Devils of Humankind [Global Scientists and Global Leaders or Asuras or Shaytans]. One Dot Leader [Unicode (hex) 2024] of UNO stands for the Planet Mercury. Dot Operator [Unicode (hex) 22C5] of UNO stands for the Mercurial System. Mercurial System is the ~sth [Sign of Trinity or Natural Thread] between Visual Binaries [Two-fold Mercy or Uranian System of each Zone] and the Appointed Daylight [Equal & Opposite Morning Star and Evening Star of the Planet Venus or Natural Magnetism]. This ~sth [Natural Thread] is the Manifested Sign of Even [Uranian System of each Zone or Two-fold Mercy] and Odd [Natural Magnetism or Appointed Daylight or Planet Venus].

Nuurun Alaa Nuur: The Manifested Sign of the Mercurial System [Even and Odd Contrast or Two-fold Mercy and a Light] has been termed as "Nuurun Alaa Nuur" [Light upon Light] in the Kitaaba bil-Haq [Authentic Reference from the Original Text Book: Sura (23) Nuurun Alaa Nuur]. This Manifested Trinity [Nuurun Alaa Nuur or Natural Thread] resembles the **Niche** of a Candle. This Nice [Apriori ~sth or Natural Thread between Uranian System of each Zone and Natural Magnetism or Nuurun Alaa Nuur or Mercurial System] **is kindled neither from the East** [Gravitational Field or Arz] **nor from the West** [Strong Field or Samawaat] [Authentic Reference: Verse-35 of Sura (23)-Nuurun Alaa Nuur]. So, the **so-called Sun** [Sister Planet Venus or She-camel of Allah or Cannon Ball of Newton or BULLET of UNO or Tarash-Shamsa or Converted Snake of Muussa's Staff or Electromagnetic Wave (Light) of Einstein's Binary Pulsar] **neither rises from the East** [Gravitational Field or Arz] **nor sets in the West** [Strong Field or Samawaat].

Mercurial System: Verse-35 of Sura (23)-Nuurun Alaa Nuur

[Uranian System and Natural Magnetism or Even and Odd Contrast]

"Allaahu Nuurus-samaa-waati wal-arz-Masalu Nuu-rihi kaMishkaatin-fiihaa Mis-baah-Al-Misbaahu fii Zujaa-jah-azzuujaajatu ka-annahaa-kawkabun durriyyuny-yuuqa-dumin Shajaratimmubaara-katin-Zaytuunatil-laa Sharqiyatinw wa laa Garbiyyatiny-yakaadu Zaytuhaa yuziii-u wa law lam tamsas-hu naar. Nuu-run alaa Nuur! Yahdillaahu li-Nuurihii many-yashaaa-wa-yazribullaahul-amsaala linnaas-wallahu bi-kulli shay-in Alim."-Allah is the Light of the West Horizon [Samawaat] and the East Horizon [Arz]. The similitude (analogical reference) of His Light is as a **Niche**

[Mercurial System] in a lamp [Black Square]. The lamp [Black Square] is in a glass [Diamond Operator or Shiira or Sirius]. The glass is as it is a shining star [Intrinsically Luminous Star]. **(This Niche is) kindled from a blessed tree, an olive (Zaytuun), neither from the East nor from the West**, whose (Niche's) oil will almost glow forth (of itself i. e. intrinsic luminosity) though no fire touches it. **Light upon Light [Nuurun Alaa Nuur]!** Allah guides to His light whom He wills. And **Allah speaks to mankind in parables**, for Allah is Knower of all things.

Two-fold Mercy and a Light:-----He will give you two fold of His Mercy [Visual Binaries or Twain or Two Moons or White Moon of the West Zone and White Moon of the East Zone or Uranian System or Muzzammil of each Zone] **and will appoint for you a Light** [so-called Sun or Sister Planet Venus or She-camel of Allah or Manifested Sign of Natural Magnetism & Clear Proof of Natural Magnetic Directions or Tarash-Shamsa] wherein you will walk and He will forgive you; for Allah is Forgiving-Merciful. That the Epistemic Persons [Ahlul-Kitaabi] may know that they have no control whatever over the bounty of Allah [such as Niche or Nuurun Alaa Nuur or Two-fold Mercy and the Appointed Daylight or Mercurial System or Uranian System and Natural Magnetism or Planet Uranus of each Zone and Sister Planet Venus]. But that the bounty is in His Hand to bestow it on whomsoever He wills. And Allah is of Infinite Bounty. [Sura (56)-Anzalnal-Hadiid-Verses-28 and 29]

Even and Odd Contrast: “Wal-Fajri, wa La-yaalin ashri; wash-Shaf-i wal-watr, wal-Layli iza ya yr. Hal-fii zaalika qasamul-lizii hijr.”-By the dawn and ten nights, **by the even and odd** [such as Two Fold Mercy and a Light (Trinity or H₂O)] and by the Night when it passes away [departs], **there is surely an oath for thinking men.**----- [Sura (88)-Wal-Fajri-Verses-1 to 30]

“Sanafregu lakum ayyuhas-saqalaan.” **We dispose of you two dependents.** “Fabi-ayyi aalaaa-i Rabbikumaa tukazzibaan?” Which is it of the favour of your Rab [uncontradicted fact of this manifested nature] that you deny? [Sura (54)-Ar-Rahman-Verses-31 and 32]

Weak Field: South, South Pole, T-Point, Perihelion, Southern Hemisphere, Border, Haiyalal-Falaah, Right of the Prime Meridian [Yamin], or Left of the Observer [Shimal]

Magnetic Field: North, North Pole, E-Point, Aphelion, Northern Hemisphere, Back Border, Haiyalas-Swalaah, Left of the Prime Meridian [Shimal], or Right of the Observer [Yamin]

Left (Shimal) of the Prime Meridian (Rabbun Gafuur): Left of the Prime Meridian [Left of the Appointed Kaba on the Right-side of the Mount Tuur and in the Upright-West Region of Arabian Peninsula] has been termed as Shimal in Verse-17 of Sura (17)-As-haabal-Kahf. Shimal [Left from the Objective Point of View or Left of the Vertical Line or Left of the Tallest Tree of Newton] represents Northern Hemisphere, Aphelion, Magnetic Field, North Pole, E-Point. Haiyalas-Swalaah, Entering Point of the so-called Sun [Planet Venus] for the Eastern Daylight Time Zone [North America and South America], Ending Point of the so-called

Sun [Planet Venus] for the Western Daylight Time Zone [South Africa, Asia, Australia, Arabian Peninsula, and Europe], and Emerging Point of the New Moon [Planet Uranus] for the Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and South Africa]. Verse-17 of Sura (17)-As-haabal Kahf has been sharing with us that **when it [so-called Sun or Tarash-Shamsa] enters, declining to the right [Yamin]** from their Cave. So, the so-called Sun [Tarash-Shamsa] as the Manifested Sign of Natural Magnetism & Apriori Proof (Scientific Proof) of Natural Magnetic Directions [North and South] **neither enters from the East** [Gravitational Field or Arz] **nor sets in the West** [Strong Field or Samawaat].

Right (Yamin) of the Prime Meridian (Rabbun Gafuur): Right of the Prime Meridian [Right of the Appointed Kaba on the Right-side of the Mount Tuur and in the Uppermost Land] has been termed as Yamin in Verse-17 of Sura (17)-As-haabal-Kahf. Yamin [Right from the Objective Point of View or Right of the Vertical Line or Right of the Tallest Tree of Newton] represents Southern Hemisphere, Perihelion, Weak Field, South Pole, T-Point. Haiyalal-Falaah, Rising Point of the so-called Sun [Planet Venus] for the Western Daylight Time Zone [South Africa, Asia, Australia, Arabian Peninsula, and Europe], Setting Point of the so-called Sun [Planet Venus] for the Eastern Daylight Time Zone [North America and South America], and Appearing Point of the New Moon [Planet Uranus] for the Eastern Daylight Time Zone [South America and North America]. Verse-17 of Sura (17)-As-haabal Kahf has been sharing with us that **when it [so-called Sun or Tarash-Shamsa] ends, turning away from them to the left [Shimal].** Einstein has confirmed in accordance with “Guiding Principles or Unalterable Laws of Nature” such as Newton’s Third Law-“Equal & Opposite” and in correspondence to “Reality or Equal & Opposite Revelation” such as Natural Magnetism and Alteration of Day & Night in a Day **that the direction of light propagation should be changed** in a gravitational field [Verifiable Reference: Einstein’s Binary Pulsar]. So, the so-called Sun [Tarash-Shamsa] as the Manifested Sign of Natural Magnetism & Apriori Proof (Scientific Proof) of Natural Magnetic Directions [North (Magnetic Field) and South (Weak Field)] **neither rises from the East** [Gravitational Field or Arz] **nor ends in the West** [Strong Field or Samawaat].

Quran and My Qibla [Even Way]: In the Eastern Daylight Time Zone [North America and South America], the so-called Sun enters from the North Pole [Haiyalas-Swalaah] and sets in the South Pole [Haiyalal-Falaah]. If I stand up Upright in the Eastern Daylight Time Zone in such a position that my right-hand direction corresponds to the entering direction of the so-called Sun [Haiyalas-Swalaah] and my left-hand direction corresponds to the setting direction of the so-called Sun [Haiyalal-Falaah], then my back will represent Eastern Part of the Land [Masriq] and my front will represent Western Part of the Land [Magrib]. Western Part of the Land [Magrib] is the Traced out Right Direction of Qibla towards the Appointed Kaba on the Right-side of the Mount Tuur and in the Upright-West Region of Arabian Peninsula [Even Way].

In the Western Daylight Time Zone [South Africa, Asia, Australia, Arabian Peninsula, and Europe], the so-called Sun rises from the South Pole [Haiyalal-Falaah] and ends in the North Pole [Haiyalas-Swalaah]. If I stand up Upright in the Western Daylight Time Zone in such a position that my right-hand direction corresponds to the ending direction of the so-called Sun [Haiyalas-Swalaah] and my left-hand direction corresponds to the rising direction of the so-called Sun [Haiyalal-Falaah], then my back will represent Eastern Part of the Land [Masriq] and my front will represent Western Part of the Land [Magrib]. Western Part of the Land [Magrib] is the Traced out Right Direction of Qibla towards the Appointed Kaba on the Right-side of the Mount Tuur and in the Upright-West Region of Arabian Peninsula [Even Way].

“----- Now there has succeeded them a later generation who have ruined prayers and have followed lusts.” [Sura (18)-Iisabnu-Maryam-Verses-59 to 65] “----- And when you proclaim your call to prayer, they [devils of humankind] take it (but) as mockery and sport.” [Sura (4)-Maaa-idadataminas-samaaa-Verses-57 and 58] “----- And set not another object of worship along with Allah” [Sura (50)-Waz-Zaariyaat-Verses-47 to 55] “----- Did I not enjoin on you, O you Bani-Adam that you should not worship Shaytan [UNO]; for that he was to you an enemy avowed?” [Sura (35)-Yaa-Siin-Verses-52 to 67] “-----I found her and her people worshipping Lish-Shamsi [Setting/Ending Sun] besides Allah. And Shaytan [UNO] has made their deeds seem pleasing in their eyes, and has kept them away from the Path [Even Way] so that they go not rightly.” [Sura (26)-Waadin-Naml-Verses-20 to 26] “----- Verily, you [believers of global science] that you worship besides Allah are [but] fuel for hell.” [Sura (20)-Rasuul (Prev. Ambiyaa)-Verses-95 to 100] “-----So, it is sadness to the worshippers who are neglectful of their prayer.” [Sura (106)-Yamna-uunal-Maa-uun (Prev. Maa-uun)-Verses-1 to 7]

“Muhammad is no more than a messenger. Many were the messengers [min-qablihir-Rusul] that passed away before him. If he died or were slain, will you then turn back sharply round? If any did turn back sharply round, not the least harm will he do to Allah;----- .” [Sura (2)-Alal-Imraan-Verses-144 and 145] “----- And Allah’s is the direction of the way, and some ways go not towards right direction.” [Sura (15)-Ilan-Nahl-Verses-9 to 11] “Lo! Safa and Marwa are among the indications of Allah. It is therefore no sin for him who is on pilgrimage to the House or at other times should compass them round.----- .” [Sura (1)-An-tazbahuu Baqarah-158 to 163]

Even Way [Sura (1)-An-tazbahuu Baqarah-Verses-108 to 112], [Sura (19)-Taa-Haa-Verses-133 to 135], [Sura (66)-Biyadhil-Mulk-Verses-15 to 22] “----- **Show us our ways of prayer**” [Sura (1)-An-tazbahuu Baqarah-Verses-124 to 132] **Muqii-mas-Salaati** [Proper Prayer]: [Sura (13)-Ibrahim-Verses-39 to 41] “----- Is there not among you any upright man?” [Sura (10)-Qawma Huud-Verses-76 to 83] “The fools [*possessors of self-contradictory & paradoxical basic scientific knowledge*] among the people will say: What has turned them from the Qibla which they formerly observed [*towards setting or ending direction of the so-called Sun*]? Say [*to the believers of Kitaaba bil-*

Haq]: To Allah belong the East and the West. He guides whom He will to a Way that is Right [ilaa Siraatim-Mustaqiim (Even Way)].----- So from whence so ever you come forth, turn your face in the direction of the Inviolable Place of Worship (Shatral-Masjidil-Haraam). And where so ever you are, turn your faces toward it (Shatral-Masjidil-Haraam) so that there may be no ground of arguing against you, except those of them that are bent on wickedness. So fear them [*global scientists and global leaders (UNO and its Special Agencies)*] not, but fear Me, so that I may complete My grace upon you, and you may be guided [*towards “Even Way” (Right Direction of Qibla)*].----- There is no compulsion in Diin. **The right direction is henceforth distinct from error.**” [Sura (1)-An-tazbahuu Baqarah-Verses-142 to 257]

“Allah has fulfilled the vision for His messenger in very truth. You shall indeed enter the Inviolable Place of Worship, if Allah will, with minds secure, heads shaved, hair cut short, and without fear.” [Sura (47)-Fatham-Mubiin-Verses-26 to 28]

Categorical Statements: “The contents of the grievance are **very generic in nature.**” [University Grants Commission (UGC), India, Registration No. DSEHE/P/2019/00185] What is there after Clear & Distinct Truth [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Manifested Nature such as Sirius Binary System and Natural Magnetism] save Invented Lies & Introduced Falsehoods [such as Globalization, Global Framework, Man-made Natural Magnetism, Qibla Finder, Qibla Indicator, Global Religion, Global Society, Global Culture, Global Science, Global Education, Global Standards, Global Issues, Global Concerns, Global Rights, Global Ethics, Global Justice, Global Constitution, Global Declaration, Global Mandates, Global Policies, Global Treaties, Global Covenants, Global Autonomy, Global Terrorism, Global Activism, Global Conspiracies, Global Hypocrisies, Global Sorceries, Global Persecution, Global Plagiarism, Global Veil of Ignorance, Depth of Darkness, and Global Sustainable Development Goals etc.]? The appearance of Light such as Searched out Equal & Opposite Apriori Framework and corresponding Natural Magnetism [Electromagnetic Wave (Light) of Einstein’s Binary Pulsar] categorically implies disappearance of Darkness such as Universally Accepted & Well-established Global Veil of Ignorance and Man-made Natural Magnetism. Falsehood by its very nature is transitory & perishable. Truth by its very nature is generic & universal. The Supreme Triumph of the Searched out Clear & Distinct Manifest Truth [Revealed Science] over Invented Lie & Introduced Falsehood [Universally Accepted & Well-established Globalization] of the United Nations [UNO and Special Agencies of UNO] is certain like Alteration of Day & Night and Sporadic Appearance of the white Moon during Broad Daylight under Natural circumstances.

Conclusion

This multidisciplinary study underscores the need to align ‘framework & curriculum of natural science’ with the universal major premises and the affirmative minor premises of the Dictum to uphold our moral solidarity & fundamental

freedom and constitutional & legitimate rights. By reaffirming apriori framework & curriculum of natural science, we can ensure that necessary humanistic vision of education will promote the inalienable natural rights of all individuals, fostering a more just and equitable human family within the East Horizon [Sirius A] of the Upright Rectangular Universe [Helium-4 Atom].
